attended. Monday, March 4th a panel consisting of professionals specializing in transitioning students will be at the meeting. This will help parents understand information in the transitioning of their children.

- Westlake Athletic Club: Donna Pirro reported for the Athletic Club. She reported as follows: Night at the Races was a success, and on behalf of the Mount Pleasant Central School District and Athletic Department, she thanked all those who worked hard on this event; Golf outing fundraiser is scheduled for April 29th at the Elmsford Country Club, home of the Westlake High School golf team. Festivities start at 4:00 pm – 5:30 pm. Dinner at 5:30 pm.
- Mount Pleasant Education Foundation: Frank Early and Richard Austin reported the following: MPED had a stellar year raising grants of over \$40,000. Mr. Early reported that 32 iPads were bought for Hawthorne Elementary School teacher, Dan Malone, to share among classroom teachers and students. Mr. Early also commended the Mount Pleasant teachers for being professional and diligent in asking for grants especially the Hawthorne Kindergarten staff. The following were also reported: Dinner dance will be held on April 26th at the Stone Manor in Hawthorne; Since its inception, the Mount Pleasant Education Foundation awarded over \$450,000 in grants to the district and asked if the Board and the district could inform people who they are and what they do and can provide items to the district during these difficult financial times, i.e. Smart Boards. Some of the other grants provided also included: illustration author presentation at Hawthorne; glazing station for the art teacher and new lighting for photography teacher at Westlake High School. The goal this year is to raise \$50,000 in donations to the district. Mr. Early introduced Mr. Richard Austin to speak to the Board of Education. Mr. Austin reported the following: a flyer was provided to educate people on the Mount Pleasant Education Foundation and if they want to sign up to be members; listed in the flyer are the donations and money that were raised for the district; asked that everyone get involved and stressed the importance of the Mount Pleasant Education Foundation for the students of Mount Pleasant.

III. REPORTS

- President, Board of Education: Mr. Grieco thanked everyone for their reports and generosity to the district; encouraged people to get involved and how important these groups are and what they do for the district; he also spoke about the budget cycle, the 2% tax cap and how important these groups, i.e. PTAs, Mount Pleasant Education Foundation, are to the community and to the district. All information is on the website. Mr. Grieco also congratulated the scholar athletes and how proud the Board of Education and district are of them. Mr. Grieco thanked Mr. Nick DiPaolo on his presentation regarding college applications. Mr. Grieco also informed the public that the resolutions will be approved in a block fashion making better use of time and that the public will have the opportunity to speak.
- Superintendent of Schools: Dr. Guiney thanked Mr. Grieco for his report. Dr. Guiney also reported on the following: BLT meetings' discussions on the Tri-

State visit, March 6th-8th. The Tri-State visit will be focusing on the K-12 writing program in which 15-18 educators will be visiting the school district for three days and helping the district to take a closer look into writing and how it affects the common core. Dr. Guiney informed the public that emails, and letters have been sent to parents explaining this process and a survey has been sent to parents and staff. Dr. Guiney also reported on the security system that is up and running in the schools. She appreciates the cooperation and collaboration of the entire staff. She explained that a driver's license will be used as identification and that all doors in the buildings will be locked except the high school front doors at lunch time so students can enter and exit during their lunch periods. On March 20th, there will be a budget presentation in the Westlake Library. There will also be on-going budget work session during the month of March. She referred to the Budget Forum that was held; the budget vote on May 21st; Voter's Registration and that all information concerning the budget meetings and other information will be on the website. Dr. Guiney congratulated the "thespians" and staff who were involved in the middle school play; congratulated the scholar athletes and Edgar Solis, wrestling, for going to the States competition. She then introduced Jerry Schulman to give his report on Energy Education.

- Energy Education Update: Mr. Jerry Schulman, Energy Specialist, reported on the following: Mr. Schulman shared a video on natural light and how it can cut costs for the district by shutting lights in hallways, some classrooms, gymnasiums, etc. He discussed his Cenergistic conference in which the following was discussed: leadership and culture, promoting energy education conservation, moisture and humidity, energy cap, shutting lights, programs in other districts. He also reiterated the holiday shut down of all appliances, lights, vending machines and other items in order to conserve energy during the February break.
- Presentation: What Makes a Successful College Application – Nick DiPaolo. Mr. DiPaolo reported on how much things have changed over the years regarding college applications by sharing a video. He stressed the importance of rigor, grades, AP courses, SATs and ACT, teacher and administrative recommendation letters, community service, internships, regents, and reduction in study halls. The video also reflected the courses that Westlake High School offers to its students and the improvements over the years in college entrance. Some of the courses included: senior internship program, community service program, unique guidance program, 9th grade mini course offerings, co-curricular activities, numerous electives, honors programs. He reiterated on the important aspects that competitive colleges look at: strong GPAs, rigorous case load, competitive SAT and ACT scores, strong AP scores on exams, community service, genuine involvement in sports and other activities and part-time employment. He stressed how important it is for students to join clubs, sports and other activities. It looks good on the students' college application. Colleges also look at a student's perseverance and how he overcame obstacles whether they are family or medical issues. Competitive colleges look at the student's interest in attending their school. Mr. DiPaolo also asked the Board of Education, Dr. Guiney, the administrators and the public if they had any questions. He reported that some

seniors have been hearing from colleges and some are still waiting. Dr. Guiney thanked Mr. DiPaolo for his report and for his expertise in the guidance department.

- Recognition of Scholar Athletes – Donna Pirro. Dr. Guiney asked that Ms. Pirro join her at the podium to award certificates to the scholar athletes. Dr. Guiney announced that it was a distinct pleasure to recognize quite a number of students who have been recognized by the NYSAA as scholar athletes. She also congratulated the parents. She commended these students on attaining a 90% average and for their dedication and long hours to their academics and athletic achievements. She then turned the honor over to Donna Pirro of introducing these teams. Ms. Pirro also congratulated the students for their academic and athletic excellence and being recognized by the New York State Public High School Association as scholar athlete teams and members. The teams announced were: Girls Volleyball, Varsity Cheerleaders, Girls Soccer Team, Girls Tennis, Girls Swimming and Diving, Cross Country Team, and also mentioned the teams that achieved an average of 89.4% (Varsity Football team) and 88% (Boys Varsity Soccer). Ms. Pirro congratulated the entire sports program for their hard work, success and for achieving a total grade average of 91%. She congratulated all the students and their parents. Dr. Guiney thanked Ms. Pirro for her commitment to the students of Mount Pleasant. Mr. Grieco thanked Ms. Pirro and indicated that this information will be on our web site. He thanked Mr. Schulman for his report on Energy Education and Mr. DiPaolo for his presentation on college applications. Mr. Grieco then made a motion to approve the Minutes, any public comments and approval of resolutions in block fashion.
