Student’s Name: ________________ Grade: ________

When parents actively participate in their child’s education, children do better in school. While neither parents nor schools alone can ensure the educational success of a student, the Mt. Pleasant Central School District, working collaboratively with parents and students agree:

Our faculty agrees to encourage and support student learning by:
• Recognizing and believing that all children can learn.
• Showing respect for each child and his/her family.
• Coming to class prepared to teach.
• Providing an environment conducive to learning.
• Helping each child grow to his/her full potential.
• Providing meaningful and appropriate school and homework activities.
• Enforcing school and classroom rules fairly and consistently.
• Maintaining open lines of communication with each student and his/her parents/guardians.
• Seeking ways to involve parent in school programs.
• Demonstrating professional behavior and a positive attitude.

As a parent/guardian, I will encourage and support my child’s learning by:
• Seeing that my child attends school regularly and on time.
• Providing a home environment that encourages my child to learn.
• Insisting that all homework assignments are completed.
• Communicating regularly with my child’s teachers.
• Supporting the school in developing positive behaviors.
• Encouraging my child to read at home and to monitor his/her TV viewing.
• Showing respect and support for my child, his/her teachers, and the school.

As a student, I will encourage and support my learning by:
• Always trying to do my best in my work and in my behavior.
• Working cooperatively with my classmates.
• Showing respect for myself, my school and other people.
• Obeying the school rules.
• Taking pride in my school.
• Coming to school prepared with my homework done and with my supplies.
• Believing that I can learn and will learn.
