November 9, 2020

Dear Yough School District Parent/Guardian:

This letter serves as an update during our Full Virtual Instruction Days. Westmoreland County has moved to "moderate", with regard to the spread of COVID-19 beginning the week of November 9, 2020. With that being said, the Yough School District, will move back to its previous instructional plan of face to face, virtual live or virtual recorded instruction on **Tuesday, November 10, 2020.**

As a school district, the health, safety, and welfare of our students, staff, and communities is a priority. The numbers within the county have reduced from 114 cases per 100,000 residents to 99.8 cases per 100,000 residents. **If any family does not feel comfortable returning to face to face instruction based on these numbers, please contact your building principal to discuss our virtual live and virtual recorded options for instruction.**

Student transportation will resume on November 10 on the normal schedule. As a reminder, students riding the buses should load back to front and are required to wear masks at all times. Students will continue to have assigned seats on the buses. During the school day any students in face to face instruction will continue to be required to wear a mask, while maintaining six feet of social distance at all times.

As we transition back to face to face, virtual live and virtual recorded instruction, breakfast/lunch will be available to students that are learning virtually on Thursdays from 4:00 - 5:00 pm at Yough Intermediate Middle School. If you were on virtual instruction and have previously signed up for breakfast/lunch, there is nothing more you need to do. If you have not signed up, please see the link below.

<https://forms.gle/zEZaSJExkweLVM1i8>

We want to thank you for your patience and understanding during these challenging times. Your support for education, combined with your support for the health and safety of all is critical.

Sincerely,

Dr. Janet M. Sardon
Superintendent
Yough School District
