**BOARD REPORTS:**

**WIU#7 and WIU#7 Legislative Council** – Linda Leghart

No report. The board approved the comprehensive plan.

**CWCTC Joint Operating Committee** – Chris Boucher

An agreement between the CWCTC and teachers was reached and will be retroactive back to 2018.

**PSBA Representative** – Chris Boucher

The House Bill 641- hasn't been on the table since October 2018.

**YEA REPORT:** - Union Representation

None.

**OLD BUSINESS:**

None.

**NEW BUSINESS:**

PSBA Platform proposes a different mechanism of collecting taxes rather than the current method of elected tax collectors. May generate more money for district. Mr. Bach asked Mike to investigate.

Ken Bach addressed proper conduct at meetings, if a student is not allowed to do something in school, we should not do it at board meetings.

Should we look at subbing out custodial/maintenance- no from every board member.
Nepotism Policy - would like to draft what that policy would look like. Then follow normal policy voting procedures.

Local Rep is pushing House Bill 1444- attendance at municipal meetings. This would not be something we need as a school district- according to the solicitor, there is already something in place.

It was brought up that we should think about live streaming the board meetings to give better access to the public. Dr. Sardon will have Andrew set this up.

A motion was made by Leghart, seconded by Ozegovitch to approve the investigating of live streaming meetings: Allen, yes; Bach, yes; Boucher, yes; Filapose, yes; Harvey, yes; Kenderes, yes; Leghart, yes; Ozegovitch, yes; Ulander, yes. Motion carried.

BOARD REPORTS:

WIU#7 and WIU#7 Legislative Council – Linda Leghart

No report.

CWCTC Joint Operating Committee – Chris Boucher

Wishing a speedy recovery to Brad Elwood.

PSBA Representative – Chris Boucher

The legislative working priorities report was presented by Dr. Sardon, packets were available for viewing. Lena Hannah a PSBA ambassador came to Yough and visited/toured the district, she was very impressed with the District as a whole.

YEA REPORT: - Union Representation

No report.

OLD BUSINESS:

Linda Leghart spoke about her past 7.5 years working with Yough School District. We are finally starting to reach our goal, years later our schools are thriving. SAT scores, Honor Roll of overachieving school districts, received the top workplace award, and a year by year accomplishments list.

NEW BUSINESS:

Filapose asked if a policy is in place for randomly drug testing administrators. Which, there is. He also suggested that the board consider looking into a policy for randomly drug testing board members, as they are leaders too.
SOLICITOR'S REPORT:
None.

CITIZEN'S COMMENTS:
Nancy Bickus Neel:
Commented on Policy 011 Board Behavior as mentioned at last week's meeting, was wondering if any action had been taken on that. Form a policy about board members bullying members in the community and for something to be in place if bullying occurs. Board members should be setting an example as role models against bullying. Also mentioned, bullying in the community. The bullying will not be forgotten in the community.
We will review the internal policy, but we have no formal disciplinary procedure, as the law for elected school officials would determine any sanctions.

Nancy McClaren:
She questioned where the nepotism policy can be found. The policy will be posted on the online policy manual once it is approved at the second reading next month.
She questioned the 3% salary increase for Deb and Sarah. She can submit a right to know request for that information.

She also mentioned bullying in the community and at the polling sites. She also mentioned a family member of a staff member who was intimidated at the polls, the daughter of whom feels her job is being threatened.

Sandra Dull:
She read a letter from the Office of General Counsel. She was turned in for doing illegal business. She has been in business for 42 years and never had anything like this happen until she ran for the school board.

Linda Leghart:
She is deeply concerned about the Yough School District and that everything that's been accomplished in the past several years will not continue. She has been talking to members in the community about the miscommunication that has occurred regarding debt service charges, capital improvements to our buildings, salary, and House Bill 641.
