PRINCE GEORGE, Va. - Prince George County Public Schools is delighted to announce the selection of Mr. Bruce Carroll as the school division's new Athletic Director.

Coach Carroll holds a Bachelor of Science in Recreational Therapy from Virginia Commonwealth University, a Master of Science in Education from Old Dominion University, as well as Health and Physical Education and Driver's Education Endorsements.

Throughout his career of public education service, Carroll has developed a comprehensive knowledge of Virginia High School League (VHSL) rules and regulations. His expansive athletic coaching background includes Assistant Football Coach, JV Baseball Coach, Assistant Varsity Baseball Coach, Head Football Coach, Head Baseball Coach, Weight Room Supervisor, and Head of Field Maintenance.

The combined 24 years of educational and athletic experience has prepared Coach Carroll with the knowledge and skills that have equipped him with a dedicated vision for the Athletic Director role to continue to support student athletic opportunities in combination with Prince George County Public Schools academic programming.

"I am looking forward to working with all of the coaches and student-athletes," Carroll said. "I have been blessed to have the opportunity to work with our football players for this amount of time and this just gives me an opportunity to work with more student-athletes."

Prince George County Public Schools is excited to have Coach Carroll serve as an athletic and educational leader for our students, families, and staff.
