**You’re Invited!**

**Prince George County Public Schools** students and fine arts teachers invite you and your family to our annual **Spring Fling Fine Arts Festival** on Saturday, March 7th from 10:00 a.m. to 2:00 p.m. at Prince George High School located at 7801 Laurel Spring Road.

This event showcases Kindergarten through 12th grade students in the visual and performing arts. The Spring Fling is a fund raiser for our **Fine Arts Educators’ Scholarship**. Each year multiple PG graduating seniors are awarded FA scholarships to help with college expenses. In order to continue offering these scholarships, there will be a fee of $5 charged at the entrance. This fee will include lunch, 5 activity tickets and access to all the performances and exhibits. Students who are exhibiting artwork or performing will receive a wristband from their fine arts teacher. Please help your students remember to wear their wristbands the day of the Spring Fling so they will be granted free access to the building, hot dog lunch and 5 activity tickets. Tickets for activities and concessions can also be purchased for $.50 per ticket.

Children under the age of 16 must be accompanied by an adult. Prince George County Public Schools’ codes and policies still apply for this event. All festival guests must leave school grounds by 2:15pm.

Please join us at Prince George High School on March the 7th to support PGCPS talented youth, hard working fine arts teachers, and our fine arts scholarship program.
