VI. DISCUSSION

A. Healthcare Discussion
   1. Board approved health insurance contribution worksheet and potential exposure
   2. Current health insurance fund balance and contributions/claims and inequities
   3. Current benefit enrollment procedures at each facility and feedback
   4. Fund Balance – (i.e. Creating a separate fund balance for school contributions and claims (process))

Mr. Foster thanked everyone for coming out to attend the evening’s meeting. He welcomed county Board of Supervisors, Chairman William Robertson and T.J. Webb, along with Nancy Schaffer, Cory Hurt, and Betsy Drewry. He stated the purpose of this meeting was to have a general healthcare discussion.
Ms. Becky Hicks provided the board with the Health Insurance Contributions Worksheet and rates that were previously approved by the Board. The School Board chose to flat fund our insurance rates by reducing the H.S.A. contribution by $500 in each tier level and cut the employee’s insurance rates for employee +1, employee + spouse, and employee + family tier levels. Health insurance rates increased slightly for the employee only. Dental insurance, vision rates, retiree direct billing and reduction of H.S.A. contributions were also discussed. No adjustments were made to the 65+ POS plan.

Mr. Foster shared positive thoughts on the open enrollment process with Pierce consultants. Ms. Hicks shared an email from the Pierce Group. Open enrollment started April 24 and continues through May 19. Pierce Group has loaded 863 eligible employees in the system and to date 342 employees have enrolled. The Pierce Benefit counselors have received very good feedback regarding the employees and their excitement regarding their benefit options this coming plan year. The county does their enrollment process in house and the Pierce Group is no longer providing services to the county for the upcoming plan year.

There was discussion on the current health insurance fund balance contributions and claims for FY2016 and FY2017 causing disparity in way funding is distributed. In FY2016 the county contributed 28.97% vs. the school’s contribution of 71.03% with county claims/expenses 27.16% vs. 72.84%. Through March 31, 2017 the county has contributed 27.59% vs. the school’s 72.41% contribution and claims/expenses at 34.63% vs. 65.37%. The school division has approximately three times more employees than the county workforce. It was determined that the county and school division needs are different, thus the reason for two separate insurance plans.

The School Board discussed the possibility of creating a separate fund balance for school contributions and claims.

The Board of Supervisors will vote on the county budget at its next meeting, May 9, 2017. The school system is important and a very big part of that budget but there are also other county departments that are important too (police, fire, emergency personnel, etc.). The supervisors have to look at the entire county picture and allocate appropriately.

Other issues that were discussed included Mr. Foster requesting full funding of the MOU to include $350,000 CSA local match and line item expenditure of $350,000 in the school operating budget. The MOU needs to be revised to be fair to both sides. The March 31, 2017 ADM was lower than was projected, causing an $800,000 shortfall to the school’s budget. The school board requested appropriation of unbudgeted impact aid received for FY2016-17. It was stated that the School Board can use any revenue it has received as long as it does not spend more than the total amount approved for 2016-17 ($62,447,742). The Board of Supervisors will not release any monies until after a full audit has been completed and balanced by the auditors.
In closing, the discussion with county staff was very beneficial and it was communicated by the School Board that they wanted to continue dialogue with the Board of Supervisors on creating a separate fund balance, appropriation of unbudgeted impact aid, request for full funding of the MOU to include $350,000 CSA funds and working to revise the current MOU. It was also communicated that both entities are working together for the best interest of students, employees and county.

VII. ADJOURNMENT

Mr. Cox made a motion to adjourn the meeting at 7:40 p.m. Mr. Stevenson seconded the motion.

VOTE: Ayes: Cox, Foster, Franklin, Stevenson
Absent: Ashcraft

The meeting adjourned at 7:40 p.m.

IN WITNESS WHEREOF, we set our signatures this 8th day of May, 2017.
