A. Late Bus Staffing

The Board was given a working document for Budget Planning for 2018-19. This working document showed additions to the 2017-18 budget that were not included in the planned budget for FY18 (totaling $934,708). Of this total, $67,820 was the projected cost of additional pay for staff who serve late bus duty from approval through the end of the 2017-18 school year; $61,040 was the projected cost of the Bus Driver Attendance Awards from approval through the end of the 2017-18 school year; $204,000 was for the Reading Interventionists at Beazley, Walton, and Clements; $101,840 was the Federal revenue reductions after the last budget was approved; and $500,000 was the anticipated reduction to budget based on reduced enrollment. Each school provided a list of teachers needed to provide additional coverage for late buses. The schools averaged 2-8 teachers required to handle late buses and the weekly cost was $67,820. After discussing the need for additional teacher coverage for students at the end of the day for late buses, Mr. Cox made a motion to approve hourly pay for two teachers at $25 per day to supervise students when awaiting late buses after 3:00 p.m. for secondary students and after 4:00 p.m. for elementary students. This is effective January 3, 2018 through the end of the 2017-18 school year or sooner if a solution is found prior to the end of the current school year. Mr. Foster seconded the motion.
