IV. DISCUSSION ITEMS

A. Finance/Payroll Discussion
Mrs. Rebecca Hicks, Finance Director, discussed several items that identified discrepancies in practice and errors discovered in the process of closing the prior fiscal year 2016 and opening the new FY2017 and additional information regarding Athletic Event Staff Pay.

During the September 8, 2016 meeting the Board approved a flat rate of $13 per hour for all game workers. To comply with the Fair Labor Standards Act (FSLA), non-exempt employees who are eligible for overtime would have to be paid at their regular overtime rate or a blended rate of their regular pay and the new flat rate for any hours worked over 40 hours in a given week. Exempt employees would be paid the $13 per hour flat rate.

The Patient Centered Outcomes Research Institute (PCORI) fee (new governmental fee for all self-insured entities) was not previously paid for the 2015 or 2016 school years. The document for 2016 has been prepared and payment will be issued from the Self-Insurance Fund as soon as possible.

Eleven bus aide contracts were issued with inaccurate annual salary amounts posted on the documents, however, the hourly rate was correct. The Finance Director and the Personnel Department are working together to re-issue corrected contracts to those affected by this error.

During a preliminary audit of Accounts Payable it was discovered a few invoices from FY2016 were not paid. These invoices will have to be paid with FY2017 funds and we will let the auditors decide if they should be posted to FY2016 or FY2017.

For the record, it was the Board’s consensus to change the order of the agenda to keep the Discipline Hearings on time.
