• If signing up for any coverage on your spouse and/or children, please have their dates of birth and social security numbers available when meeting with the Benefits Representative.

• If you will be receiving a new debit card, whether you are a new participant or to replace your expired card, please be aware that it may take up to 30 days following your plan effective date for your card to arrive. Your card will be delivered by mail in a plain white envelope. During this time you may use manual claim forms for eligible expenses. Please note that your debit card is good through the expiration date printed on the card.

• Elections made during this enrollment period CANNOT BE CHANGED AFTER THE ENROLLMENT PERIOD unless there is a family status change as defined by the Internal Revenue Code. Examples of a family status change are: marriage, divorce, death of a spouse or child, birth or adoption of a child, termination or commencement of a spouse’s employment, or the transition of spouse’s employment from full-time to part-time, or vice-versa.

• Once a family status change has occurred, an employee has 30 days to notify the Pierce Group Benefits Service Center at 1-800-387-5955 to request a change in elections.

• Dependent Care Flexible Spending Account expenses must be incurred during the Plan Year in order to be eligible for reimbursement.

• With Dependent Care Flexible Spending Accounts, the maximum reimbursement you can request is equal to the current account balance in your Dependent Care account. You cannot be reimbursed more than has actually been deducted from your pay.

• The Health Screening Rider on the Colonial Medical Bridge plan has a 30-day waiting period for new enrollees. Coverage, therefore, will not begin until July 31, 2020.

• Additionally, some policies may include a pre-existing condition clause. Please read your policy carefully for full details.

• Please be aware there are certain coverages that may be subject to federal and state tax when premium is paid by pretax deduction or employee contribution.

• An employee taking a leave of absence, other than under the Family & Medical Leave Act, may not be eligible to re-enter the Flexible Benefits Program until the next plan year. Please contact your Benefit Administrator for more information.

**CHOOSING A DENTIST**

You may select the dentist of your choice. However, to get the full advantage of your Delta Dental coverage, you should choose a dentist who participates in the Delta Dental network(s) covered by your plan.

Delta Dental PPO™ and Delta Dental Premier® dentists have agreed to accept Delta Dental’s plan allowance, plus any required coinsurance and deductible (if applicable) as payment in full. In addition, Delta Dental PPO™ and Delta Dental Premier® dentists will submit claims directly to Delta Dental and we will issue the payment to the dentist.

Non-Participating dentists have not agreed to accept Delta Dental’s plan allowance as full payment. After Delta Dental pays its portion of the bill, you are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the non-participating dentist’s charge and Delta Dental’s payment. Payment will be made to you, unless state law requires otherwise.

Please visit DeltaDentalVA.com to find a participating dentist in your area.

The following chart illustrates how choosing a network dentist helps you save on out-of-pocket costs.

- Enrollee, spouse
- Dependent children, only to the end of the month they reach age 26 (the "limiting age").

**CHOOSING A DENTIST**

You may select the dentist of your choice. However, to get the full advantage of your Delta Dental coverage, you should choose a dentist who participates in the Delta Dental network(s) covered by your plan.

Delta Dental PPO™ and Delta Dental Premier® dentists have agreed to accept Delta Dental’s plan allowance, plus any required coinsurance and deductible (if applicable) as payment in full. In addition, Delta Dental PPO™ and Delta Dental Premier® dentists will submit claims directly to Delta Dental and we will issue the payment to the dentist.

Non-Participating dentists have not agreed to accept Delta Dental’s plan allowance as full payment. After Delta Dental pays its portion of the bill, you are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the non-participating dentist’s charge and Delta Dental’s payment. Payment will be made to you, unless state law requires otherwise.

Please visit DeltaDentalVA.com to find a participating dentist in your area.

The following chart illustrates how choosing a network dentist helps you save on out-of-pocket costs.

Welcome to your Blue View Vision plan!

You have many choices when it comes to using your benefits. As a Blue View Vision plan member, you have access to one of the nation’s largest vision networks. You may choose from many private practice doctors, local optical stores, and national retail stores including LensCrafters®, Target Optical®, Sears Optical®, JCPenney® Optical and most Pearle Vision® locations. You may also use your in-network benefits to order eyewear online at Glasses.com and ContactsDirect.com. To locate a participating network eye care doctor or location, log in at anthem.com, or from the home page menu under Care, select Find a Doctor. You may also call member services for assistance at the number on the back of your ID card.

Out-of-Network – If you choose to, you may instead receive covered benefits outside of the Blue View Vision network. Just pay in full at the time of service, obtain an itemized receipt, and file a claim for reimbursement up to your maximum out-of-network allowance.

A Health Savings Account (HSA) is an individually-owned, tax-advantaged account that you can use to pay for current or future IRS-qualified medical expenses. With an HSA, you’ll have the potential to build more savings for healthcare expenses or additional retirement savings through self-directed investment options.

How an HSA works:
• You can contribute to your HSA via payroll deduction, online banking transfer, or by sending a personal check to HSA Bank. Your employer or third parties, such as a spouse or parent, may contribute to your account as well.
• You can pay for qualified medical expenses with your Health Benefits Debit Card directly to your medical provider or pay out-of-pocket. You can either choose to reimburse yourself or keep the funds in your HSA to grow your savings.
• Unused funds will roll over year to year. After age 65, funds can be withdrawn for any purpose without penalty (subject to ordinary income taxes).
• Check balances and account information via HSA Bank’s Member Website or mobile device 24/7.

Are you eligible for an HSA?
If you have a qualified High Deductible Health Plan (HDHP) - either through your employer, through your spouse, or one you’ve purchased on your own - chances are you can open an HSA. Additionally:
• You cannot be covered by any other non-HSA-compatible health plan, including Medicare Parts A and B.
• You cannot be covered by TriCare.
• You cannot be claimed as a dependent on another person’s tax return (unless it’s your spouse).
• You must be covered by the qualified HDHP on the first day of the month.

When you open an account, HSA Bank will request certain information to verify your identity and to process your application.

What are the annual IRS contribution limits?
Contributions made by all parties to an HSA cannot exceed the annual HSA limit set by the Internal Revenue Service (IRS). Anyone can contribute to your HSA, but only the accountholder and employer can receive tax deductions on those contributions. Combined annual contributions for the accountholder, employer, and third parties (i.e., parent, spouse, or anyone else) must not exceed these limits.

2019 Annual HSA Contribution Limits
Individual = $3,500
Family = $7,000

2020 Annual HSA Contribution Limits
Individual = $3,550
Family = $7,100

According to IRS guidelines, each year you have until the tax filing deadline to contribute to your HSA (typically April 15 of the following year). Online contributions must be submitted by 2:00 p.m., Central Time, the business day before the tax filing deadline. Wire contributions must be received by noon, Central Time, on the tax filing deadline, and contribution forms with checks must be received by the tax filing deadline.

Catch-up Contributions
Accountholders who meet these qualifications are eligible to make an HSA catch-up contribution of $1,000: Health Savings accountholder; age 55 or older (regardless of when in the year an accountholder turns 55); not enrolled in Medicare (if an accountholder enrolls in Medicare mid-year, catch-up contributions should be prorated). Spouses who are 55 or older and covered under the accountholder’s medical insurance can also make a catch-up contribution into a separate HSA in their own name.
How can you benefit from tax savings?
An HSA provides triple tax savings. Here’s how:

- Contributions to your HSA can be made with pre-tax dollars and any after-tax contributions that you make to your HSA are tax deductible.
- HSA funds earn interest and investment earnings are tax free.
- When used for IRS-qualified medical expenses, distributions are free from tax.

IRS-Qualified Medical Expenses
You can use your HSA to pay for a wide range of IRS-qualified medical expenses for yourself, your spouse, or tax dependents. An IRS-qualified medical expense is defined as an expense that pays for healthcare services, equipment, or medications. Funds used to pay for IRS-qualified medical expenses are always tax-free.

HSA funds can be used to reimburse yourself for past medical expenses if the expense was incurred after your HSA was established. While you do not need to submit any receipts to HSA Bank, you must save your bills and receipts for tax purposes.

1 Investment accounts are not FDIC insured, may lose value and are not a deposit or other obligation of, or guarantee by the bank. Investment losses which are replaced are subject to the annual contribution limits of the HSA.

2 HSA funds contributed in excess of these limits are subject to penalty and tax unless the excess and earnings are withdrawn prior to the due date, including any extensions for filing Federal tax returns. Accountholders should consult with a qualified tax advisor in connection with excess contribution removal. The Internal Revenue Service requires HSA Bank to report withdrawals that are considered refunds of excess contributions. In order for the withdrawal to be accurately reported, accountholders may not withdraw the excess directly. Instead, an excess contribution refund must be requested from HSA Bank and an Excess Contribution Removal Form completed.

HOW TO GET REIMBURSED FOR OUT-OF-POCKET EXPENSES

As you begin to use your account, it’s important to understand how to submit a request for reimbursement or payment to a provider.

Two most common reasons for requesting a reimbursement or payment:

1. You paid an eligible expense out of pocket
2. To request a payment be made directly to a provider

Your MyAmeriflex Debit Mastercard is the quickest and easiest way to access your account funds. But if you can’t use your card, getting reimbursed is quick and painless.

Step 1: Login in to your MyAmeriflex account online or through the MyAmeriflex App
Step 2: Click the Submit Claim button
Step 3: Fill out all of the required fields and attach documentation
Step 4: If requesting to pay a provider, enter the provider’s information, including address, and select “Pay Provider.” Once processed, the reimbursement will be sent directly to the provider. You can also save the provider for any future reimbursements.
Step 5: Click submit

You can view the status of a pending reimbursement anytime through MyAmeriflex or the MyAmeriflex App. If any further action is needed before the reimbursement is processed, you will receive a message through your account.

ONE-TIME CLAIM FOR DEPENDENT CARE SERVICES

Ameriflex makes it easy to get reimbursed automatically from your account as your funds build up during the year. If you’re paying for childcare or elderly care each month, you can avoid submitting a manual claim every month to get reimbursed for expenses you paid out of pocket. All you have to do is submit one Claim Form for the entire year that shows the date range for which childcare/eldercare services will be provided, along with a signature from the service provider on the designated line of the form. As long as the form is signed by the provider, no receipt is needed. Once the recurring claim has been processed, Ameriflex will automatically reimburse you every month with a check or direct deposit as funds in your Dependent Care Account become available.

How do these programs save me money on taxes?
Since the accounts are tax-advantaged, you get to leverage pre-tax payroll deductions – increasing your take-home pay and saving you money on everyday expenses. In many cases, you can experience savings of up to 40% on expenses eligible under your employer-sponsored plan.
If I leave my employer, can I still use my funds?
No, your funds are forfeited if you leave your employer.

What does pre-tax dollars mean and why is this important?
Essentially, “pre-taxing,” which can be used for life insurance, disability insurance, HSA contributions, dependent care contributions, health savings account contributions and commuter account contributions, means taking income that would otherwise be taxable and diverting it to something else before (so: “pre”) is becomes taxable.

By making pre-tax contributions to an HSA, you are lowering the amount your income is taxed, which results in taking home a bigger paycheck.

Can I change my annual election amount?
DCA elections can be changed if the cost of the services received changes (i.e. daycare increases fees), or if the dependent no longer goes to daycare.

How can I get more information about my account?

How would cancer impact your way of life?

Hopefully, you and your family will never face cancer. If you do, a financial safety net can help you and your loved ones focus on what matters most — recovery.

If you were diagnosed with cancer, you could have expenses that medical insurance doesn’t cover. In addition to your regular, ongoing bills, you could have indirect treatment and recovery costs, such as child care and home health care services.

Help when you need it most

Cancer coverage from Colonial Life & Accident Insurance Company can help protect the lifestyle you’ve worked so hard to build. It provides benefits you can use to help cover:

- Loss of income
- Out-of-network treatment
- Lodging and meals
- Deductibles and co-pays
Paul and Kim were preparing for their second child when they learned Paul had cancer. They quickly realized their medical insurance wouldn’t cover everything. Thankfully, Kim’s job enabled her to have a cancer insurance policy on Paul to help them with expenses.

Paul’s wellness benefit helped pay for the screening that discovered his cancer.

When the couple traveled several hundred miles from their home to a top cancer hospital, they used the policy’s lodging and transportation benefits to help with expenses.

The policy’s benefits helped with deductibles and co-pays related to Paul’s surgery and hospital stay.

With cancer insurance:

- Coverage options are available for you and your eligible dependents.
- Benefits are paid directly to you, unless you specify otherwise.
- You’re paid regardless of any insurance you may have with other companies.
- You can take coverage with you, even if you change jobs or retire.

ONLY 5% of ALL CANCERS are hereditary.

American Cancer Society, Cancer Facts & Figures, 2013
Cancer insurance provides benefits to help with cancer expenses — from diagnosis to recovery.

**TREATMENT**

**Experimental care**
Paul used his plan’s benefits to help pay for experimental treatments not covered by his medical insurance.

**Surgery benefits**
- Special procedures
- Anesthesia
- Reconstructive surgery
- Outpatient surgical center
- Prosthetic device/artificial limb

**Travel benefits**
- Transportation
- Companion transportation
- Lodging

**Inpatient benefits**
- Hospital confinement
- Private full-time nursing services
- Skilled nursing care facility
- Ambulance
- Air ambulance

**Additional benefits**
- Family care
- Cancer vaccine
- Bone marrow donor screening
- Skin cancer initial diagnosis
- Waiver of premium

Our cancer insurance offers more than 30 benefits that can help you with costs that may not be covered by your medical insurance.

**TREATMENT RECOVERY**

**Follow-up evaluations**
Paul has been cancer-free for more than four years. His cancer policy provides a benefit for periodic scans to help ensure the cancer stays in check.

**Experimental care**
- Follow-up evaluations

**Our cancer insurance offers more than 30 benefits that can help you with costs that may not be covered by your medical insurance.**

**Optional riders**

For an additional cost, you may have the option of purchasing additional riders for even more financial protection against cancer. Talk with your benefits counselor to find out which of these riders are available for you to purchase.

- **Diagnosis of cancer rider** — Pays a one-time, lump-sum benefit for the initial diagnosis of cancer. You may choose a benefit amount in $1,000 increments between $1,000 and $10,000. If your dependent child is diagnosed with cancer, we will pay two and a half times ($2,500 - $25,000) the chosen benefit amount.

- **Diagnosis of cancer progressive payment rider** — Provides a lump-sum payment of $50 for each month the rider has been in force and before cancer is first diagnosed.

- **Specified disease hospital confinement rider** — Pays $300 per day if you or a covered family member is confined to a hospital for treatment for one of the 34 specified diseases covered under the rider.

If cancer impacts your life, you should be able to focus on getting better — not on how you’ll pay your bills. Talk with your Colonial Life benefits counselor about how cancer insurance can help provide financial security for you and your family.

**PRE-EXISTING CONDITION LIMITATION**

We will not pay benefits for the diagnosis of internal cancer or skin cancer that is a pre-existing condition, nor will we pay benefits for the treatment of internal cancer or skin cancer that is a pre-existing condition unless the covered person has satisfied the six-month pre-existing condition limitation period shown on the Policy Schedule. Pre-existing condition means a condition for which a covered person was diagnosed prior to the effective date of this policy, and for which medical advice or treatment was recommended by or received from a doctor within six months immediately preceding the effective date of this policy.

**EXCLUSIONS**

We will not pay benefits for cancer or skin cancer:

- If the diagnosis or treatment of cancer is received outside of the territorial limits of the United States and its possessions; or
- For other conditions or diseases, except losses due directly from cancer.

The policy and its riders may have additional exclusions and limitations. For cost and complete details of the coverage, see your Colonial Life benefits counselor. Coverage may vary by state and may not be available in all states. Applicable to policy form CanAssist-VA and rider forms R-CanAssistIdx-VA, R-CanAssistProg-VA and R-CanAssistSpDis-VA.

How will you pay for what your health insurance won’t?

It’s true—a serious medical event such as heart attack or stroke could leave you in a period of financial difficulty. Even if you have major medical coverage, there are typically uncovered expenses to consider, such as deductibles and copayments, travel expenses to and from treatment centers and the loss of wages or salary. If faced with this situation, would you be able to maintain your current way of life?

Group Critical Care Insurance may help guard you against financial hardship.

This specified disease coverage from Colonial Life & Accident Insurance Company offers the protection you need to concentrate on what is most important—your treatment, care and recovery.

You’re free to use the benefits however you choose. And coverage may be available for you, your spouse and your eligible dependents.

Here are some frequently asked questions about Colonial Life’s disability insurance:

**Will my disability income payment be reduced if I have other insurance?**
You’re paid regardless of any other insurance you may have with other insurance companies. Benefits are paid directly to you (unless you specify otherwise).

**When am I considered totally disabled?**
Totally disabled means you are:
- Unable to perform the material and substantial duties of your job;
- Not, in fact, engaged in any employment or occupation for wage or profit for which you are qualified by reason of education, training or experience; and
- Under the regular and appropriate care of a doctor.

**What if I want to return to work part-time after I am totally disabled?**
You may be able to return to work part-time and still receive benefits. We call this “Partial Disability.” This means you may be eligible for coverage if:
- You are unable to perform the material and substantial duties of your job for more than 20 hours per week,
- You are able to work at your job or your place of employment for 20 hours or less per week,
- Your employer will allow you to return to your job or place of employment for 20 hours or less per week; and
- You are under the regular and appropriate care of a doctor.

The total disability benefit must have been paid for at least one full month immediately prior to your being partially disabled.

**When do disability benefits end?**
The Total Disability Benefit will end on the policy anniversary date on or after your 70th birthday. The Hospital Confinement benefit increases when the Total Disability Benefit ends.

**What is a pre-existing condition?**
A pre-existing condition is when you have a sickness or physical condition for which you were treated, had medical testing, received medical advice, or had taken medication within 12 months testing, or before the effective date of your policy.

If you become disabled because of a pre-existing condition, Colonial Life will not pay for any disability period if it begins during the first 12 months the policy is in force.

**What if I change employers?**
If you change jobs or leave your employer, you can take your coverage with you at no additional cost. Your coverage is guaranteed renewable for life as long as you continue to pay your premiums when they are due.

**Can my premium change?**
You may choose the amount of coverage to meet your needs (subject to your income). You can elect more or less coverage which will change your premium. Colonial Life can change your premium only if we change it on all policies of this kind in the state where your policy was issued.

**What is a covered accident or a covered sickness?**
A covered accident is an accident. A covered sickness means an illness, infection, disease or any other abnormal physical condition, not caused by an injury.

A covered accident or covered sickness:
- Occurs after the effective date of the policy;
- Occurs while the policy is in force;
- Is of a type listed on the Policy Schedule; and
- Is not excluded by name or specific description in the policy.

**EXCLUSIONS**
We will not pay benefits for injuries received in accidents or sicknesses which are caused by or are the result of: alcoholism or drug addiction; flying; giving birth within the first nine months after the effective date of the policy; felonies or illegal occupations; having a pre-existing condition as described and limited by the policy; psychiatric or psychological condition; committing or trying to commit suicide or injuring yourself intentionally; being exposed to war or any act of war or serving in the armed forces of any country or authority.

For cost and complete details, see your Colonial Life benefits counselor. Applicable to policy form ED DIS 1.0-VA. Coverage may vary by state and may not be available in all states. This is not an insurance contract and only the actual policy provisions will control.

Life insurance protection when you need it most

Life insurance needs change as life circumstances change. You may need different coverage if you’re getting married, buying a home or having a child.

Term life insurance from Colonial Life provides protection for a specified period of time, typically offering the greatest amount of coverage for the lowest initial premium. This fact makes term life insurance a good choice for supplementing cash value coverage during life stages when obligations are higher, such as while children are younger. It’s also a good option for families on a tight budget — especially since you can convert it to a permanent cash value plan later.

With this coverage:

- A beneficiary can receive a benefit that is typically free from income tax.
- The policy’s accelerated death benefit can pay a percentage of the death benefit if the covered person is diagnosed with a terminal illness.
- You can convert it to a Colonial Life cash value insurance plan, with no proof of good health, to age 75.
- Coverage is guaranteed renewable up to age 95 as long as premiums are paid when due.
- Portability allows you to take it with you if you change jobs or retire.

Whole Life Insurance

Life insurance that comes with guarantees – because life doesn’t

You can’t predict the future, but you can rest easier knowing you have life insurance with lifelong guarantees.

Whole life insurance provides guaranteed features – cash value accumulation, premium rates and a death benefit (minus any loans and loan interest) – that help ensure those benefits will be there to help protect your family’s way of life.

With this coverage:

- Life insurance benefits for the beneficiary are typically tax-free.
- You have three opportunities to purchase additional coverage with no proof of good health required if you are 50 or younger with the Guaranteed Purchase Option Rider.
- The policy’s built-in terminal illness accelerated death benefit provides up to 75% of the policy’s death benefit (up to $150,000) if you’re diagnosed with a terminal illness.¹
- A $3,000 immediate claim payment that can help your designated beneficiary pay for funeral costs or other expenses.
- You can take the policy with you even if you change jobs or retire; with no increase in premium.
- Paid-Up at Age 70 or Paid-Up at Age 100
  These two plan options allow you to select what age your premium payments will end. You can choose to have your policy paid up when you reach age 70 or 100.

¹ Any payout would reduce the death benefit. Benefits may be taxable as income. Individuals should consult with their legal or tax counsel when deciding to apply for accelerated benefits.

If the insured dies by suicide, whether sane or insane, within two years (one year in ND) from the coverage effective date or the date of reinstatement, we will not pay the death benefit. We will terminate this policy and return the premiums paid, without interest. Product may vary by state. **General Notice of COBRA Continuation Coverage Rights**

**Continuation Coverage Rights Under COBRA**

**Introduction**

You are receiving this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally doesn’t accept late enrollees.

**What is COBRA continuation coverage?**

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. **Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.**

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Prince George County Public Schools, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

**When is COBRA continuation coverage available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Wendy Livingston at 804-733-2700. Applicable documentation will be required i.e. court order, certificate of coverage etc.
How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage
If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage
If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?
Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If you have questions
Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep your Plan informed of address changes
To protect your family’s rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.
