

**It is important for your child’s health that  
Immunizations are up-to-date**

The Westchester County Department of Health offers Free Immunizations to children as part of the “Vaccines for Children” program offered throughout New York State. These vaccines are available to children that have no health insurance, Fidelis, MVP, or United Health. Below is the schedule of when these immunizations are offered.

**Please call to schedule an appointment as soon as possible.**
