

Tuckahoe Athletics Winter Review 2016-2017

Tiger Pride

Once a Tiger Always a Tiger

We are Tuckahoe

Girls' Varsity Basketball:

Girls' Varsity Basketball returned this school year and they did not disappoint. With a mix of young and veteran talent the team finished the year with a 7 and 13 record. Coached by Andrew Colasuonno the girls were the 6th seed in the Section 1 Tournament. Kathleen Doherty, Annie Raymond, Sarah O'Toole, and Sabrina Rocco played critical roles in the season. The future looks bright and we are all looking forward to next season.

Girls' Basketball

•••

Junior Varsity: Coach Istorico stated this season was a success. It was the first time that Tuckahoe had a girls' JV team. The JV Team was led by the poise and confidence of Dyllan Corrado, the presence, of Olivia Mondrone, and the positive energy of Giana Marano. The girls won hard fought games against some tough competition. We are looking forward to what this team can do for years to come.

Modified:

Coach Sweeney stated that the team had fun while learning the game of basketball and consistently improved throughout the season. The girls were always positive and possess qualities that we want all student-athletes to have.

Hard work

Determination

Boys' Varsity Basketball:

Coach Visconti stated that the Boys' Varsity Basketball team went 15-6. The team was League Champions. The boys played this season with a tremendous amount of heart and teamwork. Alex Williams received All Section honors and the MVP of the League, Bryan Murray, Jamon Murray, and Jordan Lewis, received All League honors, and Malik Moore-Crooks received All League Honorable Mention honors.

Junior Varsity Boys' Basketball:

The season for the JV Boys basketball team started off with a bang. Trailing basically the entire game in the first game of the season against Rye Neck, the boys stayed tenacious and fought back to win a thrilling overtime game. 64-63. Each day the boys came to practice and accepted coaching. There were many new faces to the program. The team gave it their all every single game and really kept the ball rolling throughout the season. The team finished 15-3.- *Coach Robinson*

Freshman Boys' Basketball:

This season offered our team a great opportunity to face top competition in an effort to improve as a group and as a program. As a first-year team in the program, we were able to maintain a competitive level of play against Class AA, A, and B teams in Section 1. After starting off the season 0-7, we managed to put together a tremendous second half winning 8 out of the next 11 games including key victories against Peekskill, Briarcliff, John Jay EF, Albertus Magnus, and Arlington. These moments were important parts to a successful freshman basketball season, complete with intense practices, competitive games, and several team-bonding, character-building experiences. -*Coach Bendlin*

Modified Boys' Basketball:

The boys showed great commitment and effort in practice throughout the season, always coming back and working harder after a loss. Their hard work and positive attitude payed off by the end of the season as they showed tremendous improvement. This was highlighted with a win over Hastings, a team they boys had previously lost to by double digits earlier in the season.

- Coach Krueze

Ice Hockey:

The 2016-17 ETBE Eagles finished 8-2-2 this season. The Eagles tallied 4 shutout wins, a 6 game win streak, and came from 3 goals down in the third period to tie Rye in the final contest of the season. Matt McCormack finished with 11 points (5 goals, 6 assists) which was good enough for 5th on the team. Aidan Maginn was 3rd in scoring for defensemen. Both players were in their first season for ETBE and look to make a significant jump next season as 8th graders!

- Coach Benveniste

Varsity Bowling:

The 2016-2017 bowling season was a great experience for all who participated. We had a huge turnout of students wanting to be part of the team. For our seniors, this season was the culmination of 4 years of dedication to the program. For our new freshman students, it was a terrific opportunity for them to get acquainted with competitive bowling and develop their skills and technique. It was wonderful to see how well all of our students progressed and improved throughout the season.

- Coach Trahey

and Coach Villosio

Varsity Cheer:

This season the Tuckahoe Varsity cheerleaders decided to put their newly acquired skills to the test by competing for the first time in 3 years. Coming together in November, the girls only had 2 short months to learn and master a brand new routine. The Tigers were up for the challenge and put in countless hours of practice to make their goal a reality. With plenty of patience and hard work the Tigers not only met their goal of competing but surpassed it by taking home 3rd place from the Westchester County Invitational.

- Coach Cupani
