
Turf Field Update

Dear Tuckahoe Community,

I am pleased to provide you with another construction update. The district's capital project has reached a major milestone with the completion and certification of the new turf field at Tuckahoe Middle/High School. The athletic field will be used by school teams and only those outside organizations with district approval.

It was exciting to see our athletics teams begin practicing on the new turf field this morning. We are all looking forward to an exciting fall sports season ahead.

Yours truly,
Carl Albano
