

# WINTER 2018-19 ATHLETIC REVIEW

MARCH 2019

TIGER PRIDE

ONCE A TIGER,  
ALWAYS A TIGER

WE ARE TUCKAHOE

## BOWLING

This year we had several new students in the program. It was a terrific opportunity for them to get acquainted with competitive bowling and develop their skills and technique. It was wonderful to see how well all of our students progressed and improved throughout the season. As a team, they showed vast improvement. Many students surpassed their personal best scores, and even became part of the 200 club, scoring over 200 in a match.

~Coach Trahey

### High Scorers

Luke Arborn

Nick Bertolozzi

Sophia Viti

### Greatest Improvement

Clarissa Ramirez

Emily Cen

## TRACK

We had a small team this season with a lot of success, which sets us up in a great position for the Spring season. We had one mid-distance runner, Enrique Perez, who is optimistic about increasing his distance and becoming a distance runner in the spring. Madison Thompson had a very successful season. She qualified for the Class C meet in the 55-meter dash where she consistently ran sub-8 seconds in the Westchester County Championships. Isabelle Corseri, Captain of the track team, had a standout season where she grabbed an All-League title with a second place finish in the girl's 55-meter high hurdles. On top of this success, Isabelle also qualified for the Class C meet. She advanced to the finals of the girls 55-meter high hurdles, earning a fourth place finish in Class.

# BASKETBALL

## JUNIOR VARSITY GIRLS

The JV Girls Basketball team finished the season with a record of 15-3. This very young and talented group of players, blended together very well. We had athletes ranging from 8th through 11th grade, with varying levels of ability. This team gained a great deal of confidence by winning big games against larger schools throughout the season. We look forward to future success with this team.

~Coach Colasuonno

## MODIFIED BOYS

From start to finish, the team had a great season. They finished with a record of 7-3 and showed improvement in all aspects of the game. Some highlights from the season include: a 15 point comeback in the opening game of the season, as well as hard fought wins over Alexander Hamilton, Sleepy Hollow and Pocantico Hills. One of the keys to the team's success was the positive attitude and support they showed one another even when things were not going well. This was especially attributed to the leadership of the 8th graders.

~Coach Kruze

## FRESHMAN BOYS

The 2018-2019 Freshman season offered a great chance for the program to continue its development. I am proud to say that the team came in everyday and worked hard to get better. I believe each individual player has improved not only skill wise but also matured as the season progressed. It was a pleasure coaching these hardworking young men every day. The future of the program looks bright.

~Coach Stabile

# BASKETBALL

## VARSITY BOYS BASKETBALL

### JUNIOR VARSITY BOYS

The 2018-2019 Junior-Varsity Boys Basketball Season was defined by the day-to-day efforts of a group of hard-working, team-first, and high-character individuals. The JV team finished with a 12-6 record, sweeping league play and remaining undefeated on the home court. As a team, we held true to our motto that “the relationship of the group should be greater than that of the individual”. Throughout the season, the team supported one another through 12 road games, 65 practices, and various film sessions and team meetings. The future is bright for Tuckahoe basketball.

~Coach Bendlin

The 2018-2019 varsity season was a great rollercoaster ride that I am sure nobody on the team wanted to see end. Unfortunately, the ride stopped at the Class C Southeast Regional Finals at Centereach HS in Long Island.

This year saw a tremendous amount of growth for everyone in the program. Everyone on the team was pushed extremely hard to learn a new style of playing by the coaches. Not one time did anyone back down from the challenge presented. They have come to learn along the way that a team is stronger together and that everyone wearing a Tigers uniform, whether on the court or not, factors into our team's success. Our success is not always measured by the amount of points we score.

I am extremely happy that we were able to bring the League Championship and the Section 1 Class C championship back to Tuckahoe - where it belongs. However, I am more proud of the development of the young men that I had the pleasure of coaching. This year laid the foundation and raised the expectations for Tuckahoe basketball.

~Coach Newman

# 2019/20 SAT and ACT TEST DATES

Please plan accordingly. Many testing dates fall on Fall, Winter and Spring Championship games.

4/13/19-ACT

5/4/19-SAT

6/1/19-SAT

6/8/19-ACT
