

## TUCKAHOE PUBLIC LIBRARY PROGRAMS –March/Early April 2019

### ALL AGES

- **Chess for All, Wednesday, March 20 @ 4-5:15 pm.** Participants have fun learning how to play chess or improve their skills playing with a partner.  
*(Sessions often guided by an experienced player). ALL LEVELS WELCOME*
- **Discovering Ancient Rome, Thursday, March 21 @ 4 pm, Ages 8 +**  
Travel back in time in this engaging workshop with educator Marisa Horowitz-Jaffe and tour the splendors of Ancient Rome! The program includes the opportunity to touch and interact with authentic 2,500-year-old artifacts. A fun treat ages 8 and up!
- **Bronx River Alliance: Migratory Fish Species on the Bronx River and Volunteer Engagement Opportunities Tuesday, March 26 @ 7 pm (Community Center), Ages 10+**  
Speakers Include: Director of Environmental Stewardship, Michelle Luebke, Education and Stewardship Associate, Diana Fu. Join us and learn about Alewife Herring, living in the ocean and spawning in freshwater, and the catadromous American Eels, living in freshwater and spawning in the ocean.
- **Crafting Beaded Earrings, Wednesday, April 3, 2019 @5:00 pm (Adults, Teens and Tweens Ages 9+)**  
Learn a new skill... Gift to yourself and others
- **Amazing Monarchs: How to Help the Declining Monarch Population, and local butterflies, Thursday, April 4th @4 pm, Ages 8+,** presented by Sandy Morrissey, President of the Bronx River – Sound Shore Audubon Society. Learn about this miracle of nature and the increasing environmental threats to the Monarch population. . You can help by raising them safely in your home until they reach the adult stage. It's easy, fun and educational for the whole family. This program will teach you how to raise Monarchs, plus how to help all our local butterflies.

### TEENS, Ages 11+:

- **Special Programs:**

- **DAE: 3D Intro to Graphic Design, Mon., March 25 @ 4 pm**  
No prior experience necessary. Graphic Design is all about visual communication! Using a combination of typography and illustration, students will explore the essential tools of Adobe Illustrator to design a custom logo. Please bring a flash drive to save your work.
- **New Canaan Nature Center ENDANGERED SPECIES, Wed., March 27 @ 4 pm**  
Students will discover the amazing diversity in the animal and plant kingdoms. They'll learn what the terms threatened, endangered, and extinct really mean, what factors contribute to population decline and what conditions are necessary for survival.

**Registration required for all programs. For more information go to <https://www.tuckahoe.com/library> or call (914) 961-2121.**
