## Prestigious Technology Award

---

Dear Tuckahoe Community,

The Tuckahoe Union Free School district is proud to announce that the district has been selected as recipient of the 2015 Lower Hudson Regional Information Center's Pioneer Award!

The Pioneer Awards are given every year to a school district, teacher, and director of technology in Westchester, Rockland and Putnam counties by the Lower Hudson Regional Information Center in recognition of innovative uses of technology that change teaching and learning. Criteria for the award include having a direct impact on instruction, being sustainable and having the ability to be a model for the region. The award comes on the heels of an ambitious year in which the district immersed itself in technology through the deployment of a 1:1 environment where every student in grades 3-12 was assigned a Chromebook device.

Respectfully,

Dr. Barbara Nuzzi  
Superintendent of Schools
