Dear Tuckahoe School Community,

I hope you and your family are enjoying the beginnings of summer. We have been working hard in our planning for reopening and look forward to your input. It is our hope to welcome our students back in September and although New York COVID-19 numbers are down, this can change if we all do not follow CDC and NYS guidance.

Young adults are the fastest-growing group of confirmed COVID-19 cases. While poor outcomes are rare for this population, the concern is exposing older and immune-compromised individuals. As you may know, there was a surge of COVID cases in a town in Northern Westchester due to graduation ceremonies and celebrations with high school students.

Our collective efforts to flatten the curve and beat the virus is when we all work together and take responsibility for our actions. Let's remain vigilant to continue our progress against this virus.

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

Please be careful when traveling outside of NY and self-quarantine and see a health care provider if you have traveled to states where there is a high positivity test rate. As of this writing, those states include Alabama, Arkansas, Arizona, California, Florida, Georgia, Iowa, Idaho, Louisiana, Mississippi, North Carolina, Nevada, South Carolina, Tennessee, Texas, and Utah.

Additionally, if you or anyone in your family were in direct contact with a person who is confirmed positive, you must self-quarantine for 14 days and go for a test. Please know that even if you test negative you must still self-quarantine for 14 days.

We have been on this journey together as a community for a long time. I appreciate your support.

Have a safe and happy Fourth of July!

Sincerely,

Dr. Amy Goodman
Superintendent of Schools
