Dear Pre-Kindergarten Parents,

As you may know, due to the lack of available classroom space in our schools and community, the district recently explored partnering with community based organizations to host our pre-k program. Unfortunately, despite reaching out to several local organizations, there were no successful respondents. Therefore, at this stage, we will need to suspend the district's pre-kindergarten program for the 2017-2018 school year.

It is our sincere hope that the Tuckahoe Union Free School District will again be able to offer this program in future years.

Sincerely,

A handwritten signature in blue ink that reads 'Carl Albano' followed by a horizontal line.
