

STUDENT TRANSPORTATION

The Board of Education affirms its goal of providing a safe and economical transportation system for district students. Transportation shall be provided at district expense to those students who are eligible as authorized by the Board.

The major objectives in the management of the student transportation program shall include the following:

1. to provide efficient, effective and safe service;
2. to ensure that all students whose disability or distance from school requires them to receive necessary transportation do, in fact, receive it;
3. to adapt the system to the demands of the instructional program;
4. to maintain transportation vehicles in the best possible condition;
5. to review at least once a year school bus schedules and routing plans to ensure that maximum efficiency and safety are maintained; and
6. to review at least once a year the eligibility for transportation of students residing in the district, to ensure that all entitled to the services receive them.

The Assistant Superintendent for Business and the Transportation Supervisor shall be responsible for administering the transportation program.

All requests for transportation reviews shall be reviewed in the following appeal sequence (1) the Transportation Supervisor; (2) the Assistant Superintendent for Non-Instructional Services; (3) Superintendent of Schools; (4) the Board Transportation Committee; and (4) the Board of Education.
