

POST-GRADUATE TECH CENTER PROGRAMS

The Board of Education allows students who have graduated from the high school to participate in Post-Graduate Tech Center programs as offered by the Putnam/Northern Westchester Board of Cooperative Educational Services.

Permission for participation in this program must be secured in writing from the Superintendent of Schools prior to enrollment.

All costs and tuition fees shall be paid by the post-graduate student, or by his/her family, according to the following schedule:

<u>Due Date:</u>	<u>Payment of costs and tuition fees for:</u>
September 1	the months of September, October, and November.
December 1	the months of December, January, and February.
March 1	the months of March, April, May, and June.

All costs and fees shall be paid to the Mahopac Central School District. Attendance shall be conditioned on payment and failure to meet the payment schedule shall result in the post-graduate being denied continued enrollment.

The district is not responsible for transportation for post-graduate students.
