BECOME A FOSTER PARENT

If you or someone you know is interested in becoming a foster parent, they can now dial 2-1-1 for more information.

Putnam County and United Way's 2-1-1 have partnered together to get the word out - additional homes are needed for children whose parents are unable to care for them. Financial support and training for foster parents will be provided. Call 2-1-1 today or visit www.uwwp.org/foster.htm.
