

**SCHOOL DISTRICT OFFICER AND EMPLOYEE CODE OF ETHICS**

The Board of Education recognizes that sound, ethical standards of conduct serve to increase the effectiveness of school Board members and their staff, as educational leaders in their community. Actions based on an ethical code of conduct promote public confidence and the attainment of district goals. The Board also recognizes its obligation to set forth a code of ethics under the provisions of the General Municipal Law, to adopt a code of ethics setting forth the standards of conduct required of all district officers and employees.

Therefore, every officer and employee of the district, whether paid or unpaid, including members of the Board of Education, shall adhere to the following code of conduct:

1. *Gifts:* An officer or employee shall not directly or indirectly solicit any gift or accept or receive any gift having a value of seventy-five dollars (\$75) or more, whether in the form of money, services, loan, travel, entertainment, hospitality, thing or promise, or any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence the performance of his/her duties or was intended as a reward for any official action on his/her part. This also applies to Board members' immediate family. However, this paragraph shall not be interpreted to encourage the acceptance of gifts up to seventy-five dollars (\$75).

However, the Board welcomes and encourages the writing of letters or notes expressing gratitude or appreciation to staff members. Gifts from children that are principally sentimental in nature and of insignificant financial value may be accepted in the spirit in which they are given.

2. *Confidential information:* An officer or employee shall not disclose confidential information acquired by him/her in the course of his/her official duties or use such information to further his/her personal interest. In addition, he/she shall not disclose information regarding any matters discussed in an executive session of the Board whether such information is deemed confidential or not.
3. *Representation before the Board:* An officer or employee shall not receive or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before the school district.
4. *Representation before the Board for a contingent fee:* An officer or employee shall not receive or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before the school district, whereby the compensation is to be dependent or contingent upon any action by the school district with respect to such matter, provided that this paragraph shall not prohibit the fixing at any time of fees based upon the reasonable value of the services rendered.
5. *Disclosure of interest in matters before the Board:* A member of the Board of Education and any officer or employee of the district, whether paid or unpaid, who participates in the discussion or gives official opinion to the Board on any matter before the Board shall publicly disclose on the official record the nature and extent of any direct or indirect financial or other private interest he or she

8. *Future employment:* An officer or employee shall not, after the termination of service or employment with the Board, appear before the Board or any panel or committee of the Board, in relation to any case, proceeding, or application in which he or she personally participated during the period of his/her service or employment or that was under his/her active consideration. This shall not bar or prevent the timely filing by a present or former officer or employee of any claim, account, demand or suit against the district on his or her own behalf or on behalf of any member of his or her family arising out of any personal injury or property damage or for any lawful benefit authorized or permitted by law.

### *Distribution of Code of Ethics*

The Superintendent of Schools shall cause a copy of this Code of Ethics to be distributed to every officer and employee of the school district. Each officer and employee elected or appointed thereafter shall be furnished a copy before entering upon the duties of his/her office or employment. In addition, the Superintendent shall ensure that a copy of Article 18 of the General Municipal Law shall be kept posted in each public building under the district's jurisdiction in a place conspicuous to the district's officers and employees.

### *Penalties*
