

# HIDDEN MISCHIEF

Would you recognize language, items, and other clues connected to drugs/alcohol/vaping?

Would you know what to look for?

Take a walk through our simulated teen bedroom and see if you can spot the drug references!

Do you know what factors increase risk for teen?

How about protective factors?

Hear about what we can do to recognize and reduce risk.

**MS and HS parents are invited to join us for an interactive presentation:**
