

ADULT EDUCATION PROGRAMS

The Board of Education shall sponsor an adult education program designed to meet the needs and interests of individuals and the community and to encourage as many people as possible to participate.

The mission of the district's adult education program shall be as follows:

1. to promote life-long learning as a component of an individual's growth;
2. to provide activities which enable people to develop their full potential;
3. to provide a learning environment that encourages personal growth, autonomy and self-confidence;
4. to contribute to the development of an aware and responsible community; and
5. to encourage participation through a flexible curriculum that meets the needs and interests of the community.

The adult education program will be administered by the Director of Continuing and Adult Education and shall be self-supporting through the collection of appropriate fees as well as through state and federal aid.
