

MAHOPAC CENTRAL SCHOOL DISTRICT

Dear Parent/Guardian(s):

Welcome to the Mahopac Central School District. Listed below and enclosed are the registration documents required for registration:

Registration Forms

Student Registration Form with Emergency Contact Information

Registration Contact List

Verification of Residency & Custody Information

Request for Records

Country and Home Language Survey (ESOL)

Health Appraisal Form (to be completed by Physician)

NYS Immunization Requirements for School Entry

Health History (to be completed by Parent/Guardian)

Developmental History from Parent/Guardian (**Grades K-5 Only**)

Interscholastic Sports Certification Form (**Grades 6-12 Only**)

Use of Pesticides Notification

In addition to the completed registration packet, you are also required to provide the following documentation in order to complete the registration process:

Original Birth Certificate

Recent Photo of Student

Record of Immunizations

Current Physical – no later than 12 months old

Previous School Records if available – most recent Report Card, IEP, etc.

Proof of Residency – see “Verification of Residency & Custody Information” Form

Custody – If child is not living with both parents, legal custody documentation must be provided.

When the paperwork is in order and you are ready to set up an appointment, please contact the appropriate Registrar listed below in the Office of Central Registration located at The District Office at The Falls:

Grades K – 12

IF I WISH TO CHANGE THE DOCTOR INDICATED ABOVE, IT IS MY RESPONSIBILITY TO NOTIFY THE SCHOOL NURSE OF THIS CHANGE.

I GIVE PERMISSION FOR HEALTH INFORMATION TO BE SHARED WITH SCHOOL PERSONNEL.

EMERGENCY MEDICAL CARE CONSENT

In the event of an accident, sudden illness, or other cause which, in the judgment of the school nurse or other person in charge, requires advice or treatment beyond general aid, I give permission for an ambulance to be called to transport my child to the nearest hospital. Furthermore, I give permission to the hospital to treat my child. I understand that every effort will be made to contact me if the above circumstances should occur. I recognize that when the school calls for assistance in this way, it is acting on my behalf, and that any medical care that my youngster receives is the financial obligation of myself and not the school.

Parent/Guardian Signature Date

Note: As a procedure the school will ask parents to keep their child(ren) home from school if they show any sign of significant infection. If your child has had a fever (100 F. or above) he/she should not return to school until his/her temperature has been normal for at least 24 hours. Please have any body rash or eye inflammation checked by your doctor to determine whether or not it is contagious.

If a child requires any medication during school hours, the medication should be brought to the School Nurse by the parent or a responsible adult. It must be in the original prescription bottle with a permission form completed by the parent and doctor and signed by the parent/guardian. Students are not to bring medication (including over the counter medications such as Tylenol) with them.

Parent/Guardian Signature Date

I (We) affirm that the information provided on this form is true and correct. I (We) understand that the District may investigate any allegation contained in this form and may ask for written proof of any statement. In order to verify the information or statements provided on this form (including any supporting documents and affidavits), I (we) give consent for the release of this form (including any supporting documents and affidavits) or any information contained in this form to Mahopac Central School District, the landlord, or any other third party in furtherance of the School District's investigation. I (We) understand that if the allegations contained in this form (including supporting documents and affidavits) are determined not to be true and accurate, I (we) will be held responsible for the payment of tuition to the District.

Parent/Guardian Signature Date

Dr. Greg Stowell
Assistant Superintendent for
Pupil Personnel Services

Dennis Creedon, Ed.D.
Superintendent of Schools

Dear Parents/Guardians:

Welcome to the Mahopac Central School District. Parents/Guardians and the school district enter into an important partnership to ensure that every student in our schools acquire the skills, knowledge, attitudes and interpersonal skills that will permit him or her to operate effectively in the broader community and lead a successful productive life in a changing world. This is critically important when a child has an educational disability. Therefore, please know the Pupil Personnel Department is here to support you if your child has or is suspected of having an educational disability.

Below is the contact information for the special education administrators at each level and a link to the New York State Education Department's "A Parent's Guide to Special Education" in both English and Spanish. The parent guide provides an overview of a parent's rights regarding referral and evaluation of their child for the purposes of special education services or programs upon a student's enrollment in public school.

**Verification of Residency & Custody
Parent/Guardian Information Sheet**

INTRODUCTION

As part of the process of registering a child in the Mahopac School District, you are being asked to provide information that will allow the district to verify that this child is legally entitled to an education in Mahopac. The education of each child in our schools is a responsibility we take seriously. Each one requires space, staff time and supplies that are expenses borne by the district. We hope that you will understand the obligation we have to our taxpayers to be sure that we are enrolling only those children who have a right to that education.

Parents/guardians are responsible for tuition payment if the parents' PRIMARY residence is not within the Mahopac Central School District. If you move from the Mahopac Central School District and do not withdraw your children in accordance with district policy, you will also be responsible for tuition.

NOTE: Education Law (Section 3202.1) states that the residence of the *parent* is the official residence of the *student*.

LEGAL RESIDENCE

You will need to present to the school proof that you do reside in the Mahopac School District. The documents that need to be submitted will vary depending on whether you own your home or rent/lease.

(A Tax Bill or Deed is NOT acceptable as proof)

- **Homeowner:** If you own your own home, you must provide at least three (3) of the following:
 1. Recent utility bill (gas/electric, telephone) or notification of hook-up order
 2. Recent cable TV/satellite TV bill
 3. Homeowners' insurance policy
 4. Credit card bill (American Express, VISA, MasterCard, Discover, Capital One, etc.)
 5. Driver's License
 6. Income tax documents with (W2's), indicating residents' PRIMARY residence
- **Renter:** If you rent, you must provide a Lease signed by both the renter and landlord, or a Notarized Landlord Affidavit. In addition, you must provide two of the following:
 1. Recent utility bill (gas, electric, telephone) or cable bill
 2. Driver's license
 3. Credit card bill (American Express, VISA, MasterCard, Discover, Capital One, etc.)
- **Living with a Family Member or Friend:** You must submit a Notarized *Residency Affidavit* and at least two (2) of the following:
 - Recent utility, telephone or cable bill of the family member or friend

The *Landlord Affidavit* and *Residency Affidavit* are available on our website or from the Office of Central Registration.

CARE, CUSTODY AND CONTROL

Under New York State law, a child is entitled to attend school in the district which he/she resides. Usually this will be with the parent(s) of the child. At times, however, the child is living with someone other than the parent. The child is then considered to reside with the person who has Care, Custody and Control.

If you are registering your own child and that child lives with you, it is assumed that as a parent you have care, custody and control. If this is not the case, you will be asked for further information at registration, or when the registration material is reviewed.

1. Who has care and custody and control of the child?
2. What is the legal residence of that person?

6. What language does the child speak to his/her father most of the time? English _____ Other _____
7. What language does your child speak to his/her brothers and sisters most of the time? English _____ Other _____
8. What language does your child speak to his/her friends most of the time? English _____ Other _____

The N.Y.S. Education Law requires physical examinations for every student upon entrance to the district, kindergarten, and in the second, fourth, seventh, and tenth grades. This requirement can be best met by your family physician since he/she is the one most informed about your child's health. Such examination shall be acceptable if it is administered not more than twelve months prior to the start of the school year in which the examination is required. If your child has had a routine examination by your family physician, please ask the physician to complete this form.

The dental health part of the form may be detached and returned to the school nurse after completion by your family dentist.

THE PHYSICAL EXAMINATION FORM MUST BE COMPLETED AND RETURNED TO THE SCHOOL NURSE AS SOON AS POSSIBLE. IF YOUR CHILD HAS A SCHEDULED APPOINTMENT PLEASE MAKE THE SCHOOL NURSE AWARE OF THE APPOINTMENT DATE.

The school physician will examine all pupils in the above mentioned grades for whom we do not have a record of exam by the family physician.

NOTE: As a procedure the school will ask parents to keep their child home from school if the child shows any sign of significant infection. If your child has had a fever (100F or above) he/she should not return to school until the temperature has been normal for 24 hours.

Please have any body rash or eye inflammation checked by your doctor to determine whether or not it is contagious.

If a child requires any medication during school hours, the medication should be **brought to the school nurse in the original prescription bottle with a permission form completed by the parent and doctor.** Students are not to carry any medication (including Tylenol) with them.

The Nurse will administer a hearing screening to all new school entrants and to all K, 1, 3, 5, 7 and 10th graders. A near vision screening and color perception vision screening is administered to all Kindergarten students. A distance vision screening is administered to all new school entrants, K, 1, 2, 3, 5, 7, and 10th graders. Scoliosis screening is mandated for students in grades 5, 6, 7, 8 and 9 who have not been checked by their private physician.

NYSED requires an annual physical exam for new entrants, students in Grades K, 2, 4, 7 and 10, sports, working permits and Triennially for the Committee on Special Education (CSE).

(OVER)

2016-17 School Year New York State Immunization Requirements for School Entrance/Attendance¹

NOTES:

Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). For grades Pre-k through 8, intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. (Exception: intervals between doses of polio vaccine need to be reviewed only for grades prekindergarten, kindergarten, 1, 2, 6, 7 and 8.) Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. Intervals between doses of vaccine DO NOT need to be reviewed for grades 9 through 12. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule.

Vaccines	Prekindergarten (Day Care, Head Start, Nursery or Pre-k)	Kindergarten and Grades 1 and 2	Grades 3, 4 and 5	Grades 6, 7 and 8	Grades 9, 10, 11 and 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap) ²	4 doses	5 doses or 4 doses If the 4th dose was received at 4 years of age or older or 3 doses if aged 7 years or older and the series was started at 1 year of age or older		3 doses	
Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine booster (Tdap) ³	Not applicable		1 dose		
Polio vaccine (IPV/OPV) ⁴	3 doses	4 doses or 3 doses If the 3rd dose was received at 4 years of age or older	3 doses	4 doses or 3 doses if the 3rd dose was received at 4 years of age or older	3 doses
Measles, Mumps and Rubella vaccine (MMR) ⁵	1 dose	2 doses			
Hepatitis B vaccine ⁶	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years of age			
Varicella (Chickenpox) vaccine ⁷	1 dose	2 doses	1 dose	2 doses	1 dose
Meningococcal conjugate vaccine (MenACWY) ⁸	Not applicable			By Grade 7: 1 dose	Grade 12: 2 doses or 1 dose if the dose was received at 16 years of age or older
Haemophilus influenzae type b conjugate vaccine (Hib) ⁹	1 to 4 doses	Not applicable			
Pneumococcal Conjugate vaccine (PCV) ¹⁰	1 to 4 doses	Not applicable			

1. Demonstrated serologic evidence of measles, mumps, rubella, hepatitis B, varicella or polio (for all three serotypes) antibodies is acceptable proof of immunity to these diseases. Diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at ages 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years of age or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday.
 - b. If the fourth dose of DTaP was administered at age 4 years or older, the fifth (booster) dose of DTaP vaccine is not required.
 - c. For children born before 1/1/2005, only immunity to diphtheria is required and doses of DT and Td can meet this requirement.
 - d. Children ages 7 through 10 years who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td vaccine. A Tdap vaccine (or incorrectly administered DTaP vaccine) received at 7 years or age or older will meet the 6th grade Tdap requirement.
 - e. For children 7 years of age or older who received the first dose on or after their first birthday, the immunization requirement is 3 doses. If the first dose was received before their first birthday, then 4 doses are required.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine. (Minimum age: 7 years)
 - a. Students 11 years of age or older entering grades 6 through 12 are required to have one dose of Tdap. A dose received at 7 years of age or older will meet this requirement.
 - b. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years of age.
4. Poliovirus vaccine (IPV/OPV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of IPV at ages 2 months, 4 months and at 6 through 18 months, and 4 years of age or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
 - c. If the third dose of polio vaccine was received at age 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
 - a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - c. Mumps: One dose is required for prekindergarten and grades 9 through 12. Two doses are required for grades kindergarten through 8.
 - d. Rubella: At least one dose is required for all grades (prekindergarten through 12).
6. Hepatitis B vaccine
 - a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than 24 weeks of age.
 - b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.
7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
 - a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. For children aged less than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons aged 13 years and older, the minimum interval between doses is 4 weeks.
8. Meningococcal conjugate vaccine (MenACWY). (Minimum age: 6 weeks)
 - a. One dose of meningococcal conjugate vaccine (Menactra or Menevo) is required for students entering grade 7.
 - b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at age 16 years or older, the second (booster) dose is not required.
9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months of age.
 - b. If 2 doses of vaccine were received before 12 months of age, only 3 doses are required with dose 3 at 12 through 15 months of age and at least 8 weeks after dose 2.
 - c. If dose 1 was received at ages 12 through 14 months of age, only 2 doses are required with dose 2 at least 8 weeks after dose 1.
 - d. If dose 1 was received at 15 months of age or older, only 1 dose is required.
 - e. Hib vaccine is not required for children 5 years of age or older.
10. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive PCV vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 15 months of age.
 - b. Unvaccinated children 7 through 11 months of age are required to receive 2 doses, at least 4 weeks apart, followed by a third dose at age 12 through 15 months.
 - c. Unvaccinated children 12 through 23 months of age are required to receive 2 doses of vaccine at least 8 weeks apart.
 - d. If one dose of vaccine was received at 24 months of age or older, no further doses are required.
 - e. For further information, refer to the PCV chart available in the School Survey Instruction Booklet at: www.health.ny.gov/prevention/immunization/schools

If no, give reason _____
Does child have irremedial defects? Yes _____ No _____
Is there any need to alter child's school program? Yes _____ No _____
If yes, give reason _____

Note: As a procedure the school will ask parents to keep their child home from school if they show any sign of significant infection. If your child has had a fever (100F or above) he/she should not return to school until his/her temperature has been normal for at least 24 hours.

Please have any body rash or eye inflammation checked by your doctor to determine whether or not it is contagious.

If a child requires any medication during school hours, the medication should be brought to the school nurse in the original prescription bottle with a permission form completed by the parent and doctor. Students are not to carry any medication (including Tylenol) with them.

I give permission for health information to be shared with school personnel.

Date _____ Parent Signature _____

Developmental History Form
(GRADES PS & K-5 ONLY)

Dear Parents:

We request that this be completed to offer the staff more insight to your child's development. This will remain part of your child's health folder.

Child's Name _____ Birthdate _____

1. Developmental history:

Pregnancy: Full Term _____ If no, how many weeks? _____
Delivery: Normal _____ If no, what difficulties? _____
Birth Weight: Pounds _____ Ounces _____
Age of child when: Walking _____ Talking _____
Age of child when: Toilet training: day _____ night _____

2. Did your child attend nursery/preschool? Yes No

If yes, which one? _____

How long? _____
(years) (half days) (full days)

3. Has your child had any previous physical, developmental or educational difficulties or delays?
 Yes No Please specify _____

4. Has your child received any special services through the district, such as:

Speech Occupational Therapy Physical Therapy
 Special Education Resource Room

Does your child have any problems with their speech at this time?

Yes No Please specify _____

5. What is the main language spoken in the home? _____

Second language spoken in the home? _____

George Prine
Director of Facilities III

Dear Parent, Guardian and School Staff:

Attached you will find details explaining the new pesticide notification law. This cover letter is to inform you that the Mahopac Central School District currently and will continue to use what is called an Integrated Pest Management System, whereby alternate methods are used to control any potential problems in our District (i.e. ants, bugs, bees etc.).

Please be assured the Mahopac Central School District has NO intention whatsoever of using any potentially harmful pesticide of any kind in our school buildings.

Feel free to call me with any questions you should have.

Sincerely,

George Prine

MAHOPAC CENTRAL SCHOOL DISTRICT

Initial notification to persons in parental relation and staff pursuant to Section 409-H of the State Education Law.

Dear Parent, Guardian, and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

The Mahopac Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72-hours following an application.
- Anti-microbial products.
- Nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children.
- Silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children.
- Boric acid and disodium octaborate tetrahydrate.
- The application of EPA designated biopesticides.
- The application of EPA designated exempt materials under 40CFR152.25.
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return to the Mahopac Central School District. For further information on these requirements the school pesticide representative is Mr. George Prine, Director of Facilities III, 112 Lakeview Drive, Mahopac, NY 10541 (845) 628-3331 Ex.16902, fax (845) 621-5470, or email at prineg@mahopac.k12.ny.us.
