Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority or Focus schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school - measuring how well the school is doing in preparing its students to be successful in college and/or a career.

All schools in Tattnall County are Title I schools. The Tattnall County Schools combined CCRPI score is 68.3 You can find more information regarding CCRPI on the Georgia Department of Education website [www.gadoe.org](http://www.gadoe.org). I am very proud to tell you that none of the Tattnall County Schools have been given a school designation this year, which means we are continuing to provide a quality education to all of our students.

In Tattnall County, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of the Tattnall County School System's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Dr. Jeannie Burkhalter, Federal Programs Director, Tattnall County Board of Education, (912) 557-4726.

Thank you for all that you do to support your child's education.

Sincerely,

Gina G. Williams, Ed.D.  
Superintendent
