MR. VINCENT RANDAZZO
SUPERINTENDENT OF SCHOOLS

September 14, 2020

Dear Island Park Families,

Over the weekend, we learned of a southeastern Nassau County School District where approximately 40 students are now facing mandatory quarantine after one student who participated in an informal game of football tested positive for COVID-19. It was reported that some of the students playing in the game were sharing food and water bottles.

We are asking our families to use this example as a way to remind their child(ren) of the importance of following health and safety guidelines during the COVID-19 Pandemic.

We remind all of our stakeholders to follow the health and safety guidelines below to do their part to keep everyone in our community safe and healthy:

Be Health Smart for You and Your Community!

Wash your hands: Use soap and water and wash for at least 20 seconds. To prevent the spread of germs wash your hands, or use hand sanitizer, often throughout the day.

Avoid touching your eyes, nose, or mouth.

Cough or sneeze into a tissue or your elbow, not your hands. Throw used tissues in the trash.

If you are sick, stay home from school or work. Avoid close contact with others.

Do not share food, drinks, utensils, or similar items.

Thank you for your cooperation.

Fondly,

A blue ink handwritten signature that reads "Vincent Randazzo".

Vincent Randazzo

Superintendent of Schools
