October 2, 2020

Dear Parent(s)/Guardian(s),

I hope the first few weeks of school have been going well. We are excited to have your children back in school, and we are dedicated to keeping our school community safe and healthy. Thank you for your partnership in ensuring that any child(ren) presenting with COVID-19 symptoms are carefully monitored and visit with a doctor before returning to school.

We have continued to update our return to school protocols using information provided by the Centers for Disease Prevention and Control, as well as the New York State and Nassau County Departments of Health. Please see the attached updated New York State Department of Health Guidelines for Decision Making regarding student attendance, which details when students who are presenting COVID-19 related symptoms are able to return to school.

Please familiarize yourself with these guidelines, and if you have questions, please feel free to contact the school nurse, Mrs. Stein at (516) 434 -2673 or Mrs. Brosokas at (516) 434 -2635.

Have a wonderful weekend!

Sincerely,
