

## Message From The Principal 4-24-20 - Ms. Cameron

April 24, 2020

Dear Hegarty Family,

I hope everyone is in good health and spirits. As the days go by, the staff and I miss seeing the children and families of FXH. To keep us all connected, the Hegarty teachers will be hosting Google Meet sessions with their students once a week. We will begin our Google Meets on Friday, May 1<sup>st</sup>. All Pre-K through grade two students will meet with their students on Mondays at 12:00 PM. In addition, grade three and four students will meet with their students on Fridays at 12:00 PM. Our special area teachers including art, music, FLES (Spanish), health, computer, gym and library will be meeting with the children on a rotating basis. Please be sure to check their daily websites for the schedule. All Google Meets will allow the children to connect with their peers and teachers. All classroom teachers will be contacting the children during the week of April 27<sup>th</sup> to give them their e-mail addresses. I am looking forward to seeing the children during these times. Below are some expectations for students during Google Meet sessions:

- All students must use their Island Park e-mails to attend Google Meet sessions
- Use your computer, i-Pad, Chromebook or cell phone to join your session
- Do not share or give out your e-mail address or password to anyone other than a parent or guardian
- No recording of the Google Meet is permitted; no video or audio recording is permitted. This also includes pictures of the session
- Be respectful of others
- Take turns listening and speaking to others
- Have a great time!

During the month of May, Hegarty will be posting a Virtual Art Show. Students, please send pictures of your assigned art projects to Mrs. Horn to be part of our show. The deadline for all submissions is Friday, May 15<sup>th</sup>. As we continue with our digital learning, please be sure to check the district and teacher websites daily for important updates. Also, be sure to visit the Island Park Schools page on Facebook for district updates.

Please feel free to e-mail me at [ccameron@islandparkschools.org](mailto:ccameron@islandparkschools.org). If you have any questions or concerns, please continue to use the “virtual hand raise” code in the email subject to communicate with your me and your child’s teacher(s). Be sure to check my principal page for daily updates and news.

We are Hegarty Strong!

Ms. Cameron
