

# MY SCHOOL BUCKS

Marie Donnelly  
School Business Official

# What is MySchoolBucks?

- **MySchoolBucks** is an online payment system that makes school meal payments easy for busy parents on-the-go! Quickly and securely add money to your student's school meal account using your credit or debit card.

# Features of MySchoolBucks

- Pay for and view your child's cafeteria purchases – meals and snacks in *Meal Accounts*.
- Track & Review Meal History
- Create Low Balance Alerts
- Make Payments with the Mobile App

# Features of MySchoolBucks

- Set Up Automatic Recurring Payments or automatic e-mail reminders to tell you when a payment is needed.
  - Using AutoPay is a great way to make sure your student always has meal funds available. The MySchoolBucks AutoPay feature allows you to set up automatic (recurring) payments based on a low balance threshold hold or schedule-based setting. This is a convenient option that allows you to set it up once and let MySchoolBucks handle the rest.

# Cost to Use MySchoolBucks

- There is a transaction fee for each deposit made online of \$2.49 per transaction.
- Whether you are depositing \$10.00 or \$100.00 dollars, you will only be charged \$2.49 for the deposit.

# Cost to Use MySchoolBucks

- Deposits of up to \$120 per student can be done in a single transaction.
  - Parents making deposits for multiple children in one transaction will only be charged \$2.49 for the transaction.
  - For example: parents of 3 children can add up to \$360 for a single fee of \$2.49.
- Payments via check or cash may still be made to the Island Park UFSD Cafeteria

# Benefits of MySchoolBucks

- Safety – Children do not have to carry lunch money to school
  - Meal funds are generally available for your student to use within 1-2 business days (not on the day of deposit).
- Convenience – Parents/Guardians can make payments at their convenience using the website

# Benefits of MySchoolBucks

- Parents can sign up for a MySchoolBucks account, see meal balances and cafeteria purchases, even if they **never** make an online payment.
- Staff can set up MySchoolBucks accounts and manage lunch funds there.
  - The staff member sets up a "parent" account, and then adds them self as if they were a student.

# Benefits of MySchoolBucks

- Control – Parents can view recent cafeteria purchases and check current meal account balances for each student.
- Efficient – Parents set up one account and can add multiple children in same or different schools within district to the account

# Benefits of MySchoolBucks

- Both West Hempstead & Long Beach high schools use MySchoolBucks
  - a parent with kids in multiple districts can have those kids on **one login**, and then can "toggle" between districts when adding or managing payments
