Did you know that the Island Park PTA has an In-Need Committee?

The Island Park PTA's In-Need Committee was established to offer assistance to families within our school district who are struggling due to an unforeseen hardship. We are committed to working collectively through our PTA members and individually with those in need to meet their specific needs while keeping all personal information under strict confidence.

Our intentions are to have available resources for those that are in need of immediate assistance in our in-need pantry. We welcome items such as canned foods and non-perishable food items, shampoo, conditioner, body wash, soap, toothbrush, toothpaste, deodorant, disposable razors etc. Items such as gift cards to clothing stores, supermarkets, gas cards, drugstore/pharmacy, local take out restaurants etc. are also greatly appreciated. No donation is too small!

Please send the items to school with your child in an envelope or bag marked "PTA's In-Need Committee" and they will be collected. We will also gladly accept your donations at our PTA meetings.

If you have any questions or if you know of someone who you feel would benefit from this committee, please contact Tara Byrne, In-Need Committee Chairperson (516) 238-8392.

THANK YOU!

TOGETHER WE ARE BETTER
