

Island Park School District
Island Park, NY 11558

Pre K Registration

July 3, 2019

Dear Parents and Community Members,

In the event that there may be spaces available in the District's Universal Pre-Kindergarten program for the 2019-20 school year, UPK registration will be taking place at the Francis X. Hegarty School on Thursday, August 22, 2019 by appointment only. Please call the Francis X. Hegarty School 434-2670/71 between 8am-3pm for your registration packet and to schedule an appointment for your eligible child.

The program is a full-day, five-day per week program for children turning four-years old by December 1, 2019. Children must also reside within the Island Park School District and meet all health and immunization requirements. Enrollment is limited so get your application in today!

The day of your appointment, please bring:

- Child's Birth Certificate confirming your child will be four years of age on or before December 1, 2019.
- 3 Proofs of Residency confirming you are a full-time resident of Island Park (e.g., driver's license, telephone bill, deed to home, bank statement, etc.).
- Updated physical and immunization documents from your child's pediatrician.

If there are additional openings for the 2019-20 school year, a special board meeting will be held at a later date for the purpose of a random selection. Please call (516) 434-2670 for additional information. There will be a mandatory UPK Parent Meeting at a later day for parents of students who are newly accepted and subsequently enrolled in the program.

Thank you for your continued support of the Island Park Schools.
