¡Hola!

FLES Spanish Newsletter Grades 2-4

Francis X. Hegarty Elementary School
Island Park School District

2nd Grade Spanish

January
2019

* 2nd Grade

* 3rd Grade

* 4th Grade

In January, second grade students will begin by reviewing numbers 1-100, which they learned last year. We will then continue to count higher all the way up to 1,000!

Next, students will learn about saying how old they are.

Yo tengo siete años.—I am 7 years old.

Students will also learn how to say how old someone else is.

Mi hermana tiene diez años.—My sister is 10 years old.

Also this month, students will begin learning about body parts.

la cabeza— head

el brazo—arm

la pierna—leg

el mano—hand

el pie—foot

la rodilla— knee

la espalda— back

3rd Grade Spanish

This month, third grade students will wrap up our unit on animals and how to describe them using verbs and adverbs. Students will be able to form complete sentences using this vocabulary.

El gato camina lentamente.—The cat walks slowly.

La mariposa vuela rápidamente.—The butterfly flies quickly.

El perezoso se mueve lentamente.—The sloth moves slowly.

3rd Grade Spanish (continued)

Next, we will begin learning about the five senses in Spanish.

el gusto—taste

el oído—hearing

el tacto—feeling

la vista — sight

el olfato—smell

Using this vocabulary, students will complete small projects for each of the five senses to learn more vocabulary in Spanish associated with these words.

4th Grade Spanish

In January, fourth grade students will revisit animal vocabulary from third grade, and learn many new words for more exotic animals.

el cocodrilo—crocodile

el mono—monkey

el delfín—dolphin

el murciélago—bat

la hormiga— ant

el tigre— tiger

Students will also learn about different animal habitats here in the United States and throughout the world.

la selva—the jungle

el océano—the ocean

la mar—the sea

el desierto—the desert

el bosque— the forest

el pantano—the swamp

la montaña—the

The students will then be able to form full sentences about where each animal lives.

La rana vive en el pantano.— The frog lives in the swamp.

La ballena vive en el océano.—The dolphin lives in the ocean.
