Dear Parents and West Hempstead High School Student:

Letters were mailed today to the community regarding future high school plans for Island Park students; the letters are also posted on the district website and Facebook pages. The intention we express in our letters to discontinue offering West Hempstead as a high school choice will have no impact on you.

All Island Park students currently enrolled at West Hempstead High School (WHHS) will continue to be enrolled until they graduate. This includes our rising ninth grade students who enrolled in WHHS this past school year and will be starting their four-year course of study in September 2018. All students at WHHS will receive transportation and support services from us until they graduate West Hempstead High School.

The Island Park Board of Education and I are particularly sensitive to the feelings and concerns you may have as you read the letters and participate in conversations with community members. To this end, we want you to know that we are here to support and inform you with ongoing services and accurate information.

Should you have any questions, please contact me directly by phone at 434-2611.

Thank you.

Yours sincerely,

Rosmarie T. Bovino, Ed.D.
Superintendent of Schools
