Robert Cohen, Counsel for the District
Report on the Nassau County/LIPA PILOT Litigation:
On September 30, 2015, Nassau County, through its Legislature, passed resolutions which: (a) unlawfully reduced the amount of taxes that the School Districts certified needed to be raised by the County Tax Levy in
order to meet the revenue requirements of the voter approved 2015/2016 budget; (b) removed approximately 614 properties off of the tax rolls by using billing records rather than verifying LIPA ownership of property through the land records of Nassau County as required by law; (c) authorized the County Assessor to send out bills to LIPA for payment in lieu of taxes (PILOTs) for those properties that have been removed from the tax rolls in an amount of approximately $49,000,000.00 for the first half of the 2015/2016 school tax year; and (d) authorized the County Treasurer to accept partial payments of PILOTs from LIPA. LIPA subsequently made partial first half payments in the amount of approximately $45,000,000.00, leaving a $3.74 Million Dollar shortfall. The County then took the position that the County Guaranty did not apply to this shortfall of LIPA PILOT payments and that the various school districts would have to sue LIPA to collect these funds. The County also has had in its possession LIPA’s partial payment of approximately Forty-Five Million Dollars since November 10, 2015, but has refused to remit those funds to the various school districts, including Island Park.

Accordingly, I am recommending that the Board of Education adopt the resolution that is on tonight’s agenda authorizing our firm to commence litigation against both Nassau County and LIPA to recover in full the LIPA PILOT payments and to have the Court declare Nassau County’s actions to be illegal, arbitrary and capricious. Island Park would be one of six districts in total that my firm represents joining in this lawsuit and the cost of the litigation will be split pro-rata among the six school districts, except for those fees and costs that are attributable solely to Island Park.

PUBLIC BE HEARD:
Members of the public commented on the following:

✧ What are PILOTs? (Payment in Lieu Of Taxes)
✧ Great Special Education Plan. Are you the only administrator for Special Education?
✧ When will the fences at FXH be installed?
