SPECIAL SERVICES
A full-time Supervisor of Special Services oversees the district’s Special Education programs. Education and related services are provided by 38 professional staff members: teachers, school psychologists, school social workers, learning consultants, speech language pathologists, occupational and physical therapists. The Child Study Team evaluates students based on presenting needs. An Individual Education Program (I.E.P.) is developed, implemented and monitored for students found eligible for services. Special instruction is provided for students with learning, emotional, developmental and/or physical disabilities. Resource Centers in each school provide replacement instruction and/or assistance with academic subjects and the development of organization and study skills. Self-contained classrooms at all three schools provide individualized instruction for students with learning and multiple disabilities.

ENRICHMENT PROGRAMS
The ACS enrichment program provides opportunities, individual and small group coaching, and direct instruction in problem based learning in order for each learner to reach his/her fullest potential. Students work collaboratively to create and apply solutions to real world phenomena and situations, such as redesigning Archimedes puzzle, creating a new business, and creating meal and fitness plans. At the Middle School, students gifted in Art, Music, Science, Math, Social Studies and Language Arts can apply for Portfolio. At the High School, the guidance counselors provide career and college counseling, as well as support services for youths at risk.

I&RS COMMITTEE
The Intervention & Referral Services Committee, made up of school administrators, teachers, counselors, student study team members, and parents, suggests strategies and actions for faculty and parents to employ within the General Education program to support the educational needs of students.

FOOD SERVICE
All three schools have a cafeteria and provide low cost, nutritionally balanced hot and cold breakfast and lunch service daily. Free or reduced price breakfast and lunch are available to students who qualify under state and federal programs. Applications are sent to parents at the beginning of each year.

HEALTH SERVICES
School nurses in each school conduct screenings for vision, hearing and scoliosis (curvature of the spine); maintain health records; record height and weight and blood pressure; administer medications (if a note from the doctor has been provided); and provide emergency care. The school nurse may also make referrals regarding possible emotional or physical difficulties. If a child becomes ill during the day, he/she will be sent to the nurse’s office. If, in the opinion of the school nurse, the child is unable to remain in school, a parent will be contacted and asked to pick up his/her child to take him/her home. A complete physical is required for children in kindergarten, fourth, seventh and tenth grades.

AFTER SCHOOL CHILD CARE
Leonia School Age Child Care (SACC), an organization run by an independent board, provides child care services for students in grades K-8 at Anna C. Scott School. Students can be dropped off as early as 7:00am and picked up no later than 6:00pm. SACC can be reached at (201) 944-6715.

AFTER SCHOOL ENRICHMENT
The Board of Ed offers after-school enrichment courses at ACS for students in grades 2-5. A variety of courses will be offered for a fee.

COMMUNICATIONS WITH THE PUBLIC
Leonia Schools has a new free APP for smartphones to see menus, agendas, homework assignments and much more! Information on the district can be found on-line at www.leanschools.org. Information on all three schools can be found on the website. All schools send out E-Blasts. The High school middle school utilizes Remind to send out information to the students and parents. The ACS Home and School prepares a newsletter regarding ACS activities.

HOME AND SCHOOL ASSOCIATION
Each school has an active Home and School Association. Members raise funds for Social programs and trips, for teacher wish-list items, and for scholarships. Volunteers are always needed to help on field trips, to assist in the library, to perform at assemblies, to contribute to bake sales, to help at special events, to translate, to participate in career days, and much more. If you have a special talent you’d like to share, please contact the Home and School chair at your school or attend one of their scheduled meetings listed in this calendar. The Home & School Korean Parents Committee helps with translation of correspondence and helps orientate new families.

KINDERGARTEN REGISTRATION
All children who are five years old on or before October 1 are registered and developmentally screened for the full-day kindergarten program. Registration takes place in the spring at ACS (see calendar for dates) and orientation programs are provided.

NOTICES SENT HOME
Every Monday, important notices will be sent home. Please be sure to check your student’s backpack daily for other emergency notes.

FACILITIES:
- Anna C. Scott Elementary School (Pre-K-5) 685 students;
- Leonia Middle School (6-8) 535 students. LMS is offered to middle schools in New Jersey to have this distinction.
- Leonia High School (9-12) 740 students
- Leonia Early Childhood Program at ACS is offered to children who have reached age 4 (four) by October 1. Availability is on a lottery basis with a priority for Leonia residents. Enrollment is for a 10 month - 180 day school year following the calendar of the Leonia Public Schools. Classes are full day (8:30 am - 2:30 pm) - Monday through Friday. Class size is limited and includes certified teacher(s) and teacher assistants.
- The Leonia Early Childhood Program is a tuition-based program. Enrollment packets are available at the Leonia Board of Education office.

- A Board of Education Office, 570 Grand Avenue.

**SCHOOL DAY**
- Pre K: 8:35 am - 2:40 pm
- Kindergarten: 8:35 am - 2:40 pm
- Grades 1-5: 8:35 am - 2:50 pm
- Grades 6-8: 8:15 am - 2:50 pm
- Grades 9-12: 7:50 am - 2:58 pm

**ENTITLEMENT TO ATTEND THE PUBLIC SCHOOLS ON A TUITION-FREE BASIS**
State law (N.J.S.A. 18A: 38-1) stipulates that the children of legal residents of Leonia are entitled to attend the Leonia Public Schools on a tuition free basis. (Leonia’s sendings receiving relationship with Edgewater entitles Edgewater students to attend the Leonia Public Schools in grades 7, 8, and 9). As stated in Board Policies (Nos. 5111 & 5118), “The mere owning of any property whatever does not qualify a parent/guardian to send children to school in this school district.” Additionally, “The Board reserves the right to verify the residency of any pupil and the validity of any affidavit of guardianship.” Upon registering a student, parents/guardians must present appropriate documentation demonstrating residency. Affidavit submissions must also comply with applicable state law.

The Leonia Public Schools accepts tuition students on a limited basis and under certain conditions. Students who are found to be in attendance in the Leonia Public Schools without any enrollment or to do so on a tuition-free basis will be removed from school. Their parents/guardians will be subject to the payment of tuition calculated on a per diem basis for the length of enrollment.

**REGISTRATION**
Children must register at the school they will be attending. In order to register a child, parents must provide a birth certificate, immunizations and medical records, and recent transcripts. In addition, parents must provide proof of residency to the Board of Education Office at 570 Grand Ave.

**SCHOOL BOARD MEETINGS**
The Leonia Board of Education holds public meetings twice a month in the Anna C. Scott School Cafeteria, facing Broad Avenue, on the 2nd and 4th Tuesdays of the month or as posted.
