Cafeteria Point of Sale Debit System

Starting September 5, 2019

- Your school uses a computerized point of sale system in the cafeteria. Parents can make payments online or send in payments to the cafeteria using the coupon below.
- This system allows for account purchases of meals and snacks.
- Parents may pay in advance for purchases.
- All students will be issued a Personal Identification Number (PIN) which corresponds to their food service account and which should be kept confidential.

- Students still have the option to pay cash on a daily basis.
- Any prepaid meals on a meal card from the previous year will automatically be put on the student's account.
- Any remaining funds at the end of the school year are available for use in September or may be transferred to a sibling's account.
