

NANUET

Union Free School District

Dr. Kevin R. McCahill, Superintendent of Schools

Dear Nanuet Families,

We understand that the current school closure may be a hardship for our students and families and we are continuously working around-the-clock to provide critical supports during this time.

Because our health care workers, first responders, and other essential public workers need to keep doing their jobs for the greater good of our community, we have been working with Childcare Resources of Rockland, Rockland BOCES, and the other Rockland school districts to develop a childcare plan for these critical workers who may have no other childcare options.

Please see the [attached letter](#) from Childcare Resources of Rockland for more information and for an important survey for all emergency care workers in the district. Final details are being worked out and once a plan is in place for Nanuet, I will communicate that to the community.

Once again, thank you for your continued support during this difficult time.

Stay safe Golden Knights!

With gratitude,
