Dear Mr. Polizzi:

It is my pleasure to inform you that at its October 11th meeting, the Commissions on Elementary and Secondary Schools of the Middle States Association of Colleges and Schools voted to award the following to **Nanuet Union Free School** District, grades K-12:

ACCREDITATION

The term of accreditation is for seven years, effective **December 1, 2019** and expiring on **December 1, 2026**.

An “Accredited” institution is an educational organization that meets all MSA Standards for Accreditation, adheres to applicable MSA policies, and meets the requirements of the self-study protocol used. The institution agrees to adhere to all requirements for maintenance of accreditation.

At the beginning of the third year in your school system’s accreditation term, you are required to submit a Mid-Term Report in which you provide evidence that you are implementing your Plan for Growth and Improvement and of progress being made toward achieving your objectives. The Report will be reviewed by the Middle States staff, which will determine whether an on-site visit must be conducted to examine any areas of concern.

In the sixth year of the accreditation term, you will be notified to begin a new self-study to prepare for the next accreditation visit.

Please accept our sincere congratulations on the recognition of your school system as an accredited member of the Middle States Association of Colleges and Schools. Enclosed please find your

Commissions on Elementary and Secondary Schools accreditation certificate and other materials you can use to make this achievement known to your community of stakeholders. We are pleased that you continue to be among the schools throughout the world that meet the internationally recognized standards of quality of the Middle States Association of Colleges and Schools. The staff of the Commissions will be happy to be of service to you and your school system at any time.

Sincerely,

Lisa Marie McCauley, Ed.D, CPA
President
