

PayPAMS

The district participates in this convenient program, which allows you to manage your child's meal account online. **The PayPAMS program accepts Mastercard, Discover and Visa. PayPAMS will charge \$1.95 per payment transaction, per child, as a processing fee. This fee is charged by PayPAMS, not the school district.**

If you prefer, you are welcome to pay by cash or check (with no fee), by paying directly to the school cafeteria. Make checks payable to "Nanuet School Lunch Fund" and include your child's name and student ID number.

To set up an online account, visit www.paypams.com or call 888.994.5100. The first time you contact PayPAMS, you will be asked to register your information and choose the student(s) you wish to link to your credit card payments. You will need your student's ID number (which can be obtained from your child's school or report card).

Benefits of PayPAMS include:

- Payment access 24 hours a day, 7 days a week via the Internet or telephone
- Schedule automatic payments based on account balance

- Review of cafeteria purchases online
- Email notification of account balances
