

CARMEL CENTRAL SCHOOL DISTRICT

August/September 2018

Dear Parents:

During the 2018-19 school-year, Carmel Central School District students will have opportunities to participate in school-related activities in addition to regular classroom work. These activities support their education, promote community service, encourage positive behavior or otherwise enhance your child’s learning experience. The District would like to share information about these experiences with our community.

To spread good news about what is happening in Carmel Schools with the larger community, the District asks that you permit your child’s name, image, audio/video recordings and/or schoolwork (such as writing and artwork) to be used in newsletters prepared by the District, the school, classroom teacher and/or parent organizations, the school sign board, the District website, District social media outlets, the District calendar, District PowerPoint presentations, and the District cable TV channel (Channel 22).

We also ask you to permit your child’s information may be used in all print and electronic media forms currently in use or yet to be created by the District. This information may include the following:

- Student's name
- Participation in activities and sports
- Degrees, honors and awards received
- Photographs of child participation in school and school-related activities
- Video/audio recordings of child participating in school and school-related activities.
- Student artwork

As always, our priority is protecting your child’s safety. Granting permission for your child to be featured in stories, photography and other media allows the District to continue to provide a safe and caring learning environment while showcasing all the great things going on in a student’s academic life. **Please check YES or NO below and return the form to the main office of your child’s school.**
