

KinderPrep

KinderPrep Summer School Program

KinderPrep Summer School

6-week program designed to prepare kids for Kindergarten

JUNE 18, 2018 to JULY 26, 2018

What is KinderPrep?

- KinderPrep is a unique summer program, focusing on both academic and social skills, that will prepare your child to achieve in Kindergarten.
- Children must be entering Kindergarten in Flossmoor School District 161 in Fall 2018, be registered, and complete the residency process on June 13, 2018.
- KinderPrep is offered Monday through Thursday, following Flossmoor School District's typical summer school schedule.
- There is no cost for KinderPrep.
- As a compliment to KinderPrep, you will participate in our parent empowerment workshops, where you will learn how to be your child's first teacher. Compensation will be given upon completion of each workshop.
- KinderPrep enrollment is based on a random lottery selection after the assessment process is complete.
- After signing up for KinderPrep, you will be contacted to schedule an assessment appointment for your child. A completed assessment is required for the randomization. The assessment will take approximately 1 hour. You will receive \$25 to thank you for your time for coming to this assessment.
- Your child's assessment score does NOT affect their chance of being selected for KinderPrep Summer School.

Measuring Impact

- KinderPrep is part of a long-term research study through The University of Chicago that is designed to measure the impact of different strategies in early childhood education on future academic success. KinderPrep is a partnership of the University of Chicago and Flossmoor School District 161.

IT'S EASY TO SIGN UP!

Mail or drop off this form to:

Flossmoor School District 161
41 E. Elmwood Drive Chicago Heights, IL 60411
