Read Across America Day
The National Education Association is building a nation of readers through Read Across America. Now in its 22nd year, this year-round program focuses on motivating children and teens to read through events, partnerships, and reading resources.
Read Across America Poem
by Anita Merina

You're never too old, too wacky, too wild,
To pick up a book and read with a child.
You're never too busy, too cool, or too hot,
To pick up a book and share what you've got.

In schools and communities,
Let's gather around,
Let's pick up a book,
Let's pass it around.

There are kids all around you,
Kids who will need
Someone to hug,
Someone to read.

Come join us March 2nd
Your own special way
And make this America's
Read to Kids Day.
