

SCSD#1 Nutrition Services  
2019 Summer Food Service Program

This summer, children can enjoy FREE breakfast and lunch through Sweetwater County School District #1 and the Summer Food Service Program. We want to make sure all children ages 18 years and under have the opportunity to eat healthy food during the summer months when they aren't in school. All meals must be consumed on site, so we can ensure children are getting the proper nutrition they need to learn, play, and grow during the summer months. No applications and no questions asked. This program is available to children ages 18 and under and includes all levels of income. The Summer Food Service Program is a USDA funded program.

Meals will be offered at the following locations:
