

2020 Wyoming Health Fairs Wellness Screenings

This year Wyoming Health Fairs will provide their blood draw services at the locations outlined below.

ID is required for admittance to the school buildings after the students begin arriving. Please bring a valid SCSD #1 ID, driver's license or passport.

SCSD #1 will cover the cost of the Blood Chemistry Panel for all active, permanent part-time and full-time employees, as well as, dependents and retirees covered by the School District's medical insurance plan.

Please bring your UMR ID card if you plan to have additional screenings that are covered under your District medical insurance plan.

Wyoming Health Fairs recommend patrons fast 12 hours prior to the blood draw, unless diabetic, drink plenty of water and take all medications as usual.

All results will be mailed to the patron by Wyoming Health Fairs.
