

Consent Agenda Item 8-h

Recommendation for approval of the Rock Springs High School network expansion bid for the District's Information Technology Department. This project is to purchase equipment to expand Rock Springs High Schools network capacity to accommodate for the new equipment being added to the building. It will tie directly with a partnership project with the Facilities Department to rewire the building over the next two years, pending a successful bidding process and funding. Three bids were obtained for this project as follows:

	CDW-G	Insight Public Sector	Venture Technologies
Software Costs	\$26,602.25	\$36,664.91	\$30,134.60
Hardware Costs	\$178,407.30	\$195,597.23	\$209,454.05
Other Costs	\$7,244.25	\$6,183.36	\$6,797.76
Total	\$212,253.80	\$238,445.50	\$246,386.41

Recommendation to award the bid for the Rock Springs High School network expansion project to CDW-G in the amount of \$212,253.80. This project will be funded through Category 2 E-Rate, pending approval of available funds in the amount of \$213,783.71. If use of the Category 2 E-Rate funds is denied or reduced, the non-approved portion will be funded through the Capital Projects budget.
