

Consent Agenda Item 7-c

Recommendation to authorize the District's Information Technology Department to initiate the purchase of the theater stage intercom for Rock Springs High School. The FCC is revoking the 600 MHz and 700 MHz away from public usage and selling those frequency ranges to mobile carriers. This is forcing everyone with wireless microphones in those ranges to purchase new microphones that are outside of those frequency ranges. RSHS falls into the category with equipment on those ranges which has prompted the District to go out to bid for new systems to avoid fines from the FCC for utilizing the now privately-owned frequency range. The bids are as follows:

Performance Audio

Hardware	\$8,522.00
Shipping	<u>\$49.00</u>
Total	\$8,571.00

Pickin' Palace

Hardware	<u>\$9,600.00</u>
Total	\$9,600.00

Insight Public Sector

Hardware	<u>\$9,680.52</u>
Total	\$9,680.52

Recommendation to award the bid for the purchase of the theater stage intercom at Rock Springs High School to Performance Audio in the amount of \$8,571.00. This purchase will be funded through the Capital Projects budget.
