Description

These tools will help you transform behavior problems into academic achievement. Start using the innovative Feeling Buddies, 188 page English/Spanish Curriculum, DVDs, CDs, Safe Place posters and more today for a more peaceful and productive tomorrow.

Instead of trying to make children behave, teach them how to in this year long, easy to implement curriculum that illustrates how to manage emotions and behaviors to any age.

The Feeling Buddies are a comprehensive and innovative tool for teaching self-regulation. The Toolkit is based on a unique strategy in which the adult teaches the child to self-regulate and the child teaches the Buddy to self-regulate, both learning the five-step process together. The Curriculum, Safe Place and daily classroom life work cooperatively to maximize learning and give the new skill set permanence. PreK-2nd grade.
