

**SWEETWATER COUNTY  
SCHOOL DISTRICT #1**

## Consent Agenda Item 8-1

Recommendation to authorize the District's Information Technology Department to purchase Trunking Repeater Software and Repeaters from Communication Technologies, Inc. in the amount of \$97,576.68. This software and equipment will provide the District with the ability to track buses via GPS as well as provide individual radio channels for all of the schools and transportation. This is a one-time sole source purchase out of the Technology budget.
