

**SWEETWATER COUNTY
SCHOOL DISTRICT #1**

Consent Agenda Item 8-e

Recommendation to authorize Rock Springs High School to purchase 164 Advanced Placement Exams in the amount of \$15,252.00. This is a sole source purchase. Each exam is \$93.00, of which the District pays one half and the students pay one half. The student half is paid upfront from the Rock Springs High School Associated Student Account, where the student fees are deposited. The 164 exams include, but are not limited to AP Chemistry, AP Biology, AP Psychology, AP Calculus, AP English, AP World History, and AP Art. This represents a great commitment to our advanced, college ready students.
